## From the Helm

Thanks to the work of many staff, committees, officers, and volunteers Opening Day was a great success!!

A little rain can't stop Fayerweather folks from enjoying a day on the water.

With the boating season officially open, we can now look forward to a summer of fun here at Fayerweather!

While we continue to secure a new kitchen vendor, come on down with a picnic, the grills are available to all members. **Speaking of the kitchen, we will hold a special membership meeting, prior to signing the final kitchen contract Tuesday July 19, 2022 7:00PM.**

## **From the Vice Commodore**

With Summer finally here and everyone back at the club ! There is a lot happening. The Ship Store is open, with many very cool items for sail.

In addition, with the departure of the Taste Garden the Kitchen committee has been meeting with many vendors to come into the club. A new vendor has been chosen by the BOG. We are very excited about the new kitchen which will offer many more amenities than the club has had before. As soon as we confirm all the details of the new vendor the club will send out an email blast with all the details of services the new vendor will offer.

We will be holding a special meeting to have an open discussion about the new Kitchen once the BOG has approved the contract proposal.

## **Next Thursday Night Dinner will be catered by The Tasty Yolk!**

The Ship Store will be going on-line end of July. There is Fayerweather gear: Shirts, Sweatshirts, Fleece, Vests, & Hats available at the front of the club as you enter and also by the Dock Shack. Payment for the ship store merchandise is at the bar or at the Dock Shack.

As the new kitchen will start mid-August, the fishing committee will be hosting lunches and dinners for the club. In addition, we will be looking to have some food trucks for Thursday night.

## **Kids say the darnedest thing!**

**"Why God Made Moms" answers given by elementary school age children."**

Why did God make mothers?

1. She's the only who knows where the scotch tape is.
2. Mostly to clean the house.
3. To help us out of there when we were getting born.

How did God make mothers?

1. He used dirt, just like for the rest of us.
2. Magic, plus super powers and a lot of stirring.
3. God made my Mom just the same like He made me. He just used bigger parts.

What ingredients are mothers made of?

1. God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.
2. They had to get their start from men's bones. Then they mostly use string, I think.

Why did God give you your mother and not some other Mom?

1. We're related.
2. God knew she likes me a lot more than other people's moms like me.

What kind of little girl was your Mom?

1. My Mom has always been my Mom and none of that other stuff.
2. I don't know because I wasn't there, but my guess would be pretty bossy.
3. They say she used to be nice.

What did Mom need to know about dad before she married him?

1. His last name.
2. She had to know his background. Like is he a crook? Does he get drunk n beer?
3. Does he make at least \$800 a year? Did he say NO to drugs and YES to chores?

Why did your Mom marry your dad?

1. My dad makes the best spaghetti in the world. And my Mom eats a lot.
2. She got too old to do anything else with him.
3. My grandma says that Mom didn't have her thinking cap on.

Who's the boss at your house?

1. Mom doesn't want to be boss, but she has to because Dad's such a goofball.
2. Mom. You can tell by room inspection. She sees the stuff under the bed
3. I guess Mom is, but only because she has a lot more to do than dad.

What's the difference between moms and dads?

1. Moms work at work and work at home & dads just go to work at work.
2. Moms know how to talk to teachers without scaring them.
3. Dads are taller and stronger, but moms have all the real power cause that's who you got to ask if you want to sleep over at your friend's.
4. Moms have magic; they make you feel better without medicine.

What does your Mom do in her spare time?

1. Mothers don't do spare time.
2. To hear her tell it, she pays bills all day long.
