A Child's View of Retirement

After spring break, a teacher asked her young pupils how they spent their holidays. One small child wrote the following:

"We always used to spend holidays with Grandpa and Grandma. They used to live here in a big brick house, but Grandpa got retarded and they moved to Florida. Now they live in a place with a lot of other retarded people.

They all live in a little tin house. They ride on 3-wheeled tricycles and all have name tags because they don't know who they are anymore. They go to a big building called a wrecked hall, but they must have got it fixed, because it's all right now. They play games and do exercises there, but they don't do them very good. There is a swimming pool there, but they stand in it with their hats on. I guess they don't know how to swim.

As you go into their park, there is a doll house with a little man sitting in it. He watches all day so they can't get out without seeing them. When they can sneak out, they go to the beach and pick up shells.

My grandma used to bake cookies and stuff, but I guess she forgot how. Nobody cooks much, they just eat out. They eat the same every night; early birds. Some of the people don't know how to cook at all, so my Grandma and Grandpa bring food into the wrecked hall and they call it "pot luck".

My Grandma says Grandpa worked all his life and earned his retardment. I wish they would move back up here, but I guess the little man in the house won't let them."

TO ALL MEMBERS AND FAMILIES

Fayerweather yacht Club is planning a youth sailing program this summer. In order to accurately price this program we are going to have a meeting at the Club on March 19 at 7:30 p.m. Your attendance is important so we can discuss all options.

The classes will be open to all children of members as well as grandchildren, nephews and nieces over the age of 9. The plan now is to have classes from June until August, Monday thru Friday from 10:00 am to 12:00 pm.

Also, if anyone wishes to help out, teach or lend us a sailing dink. Please be at the meeting.

Thank You
Ted Felix
Vice-Commodore

Dear Don:

Do you remember our conversation after you returned from Florida last year?

Don: Boy, was Florida great!

Bob: What did you do?

Don: Well, Trish and I woke up and went out to breakfast.

Bob: Then what did you do, Don?

Don: Why, we went out to Arby's for lunch, where they have a senior discount.

Bob: Then, what did you do, Don?

Don: Then we played shuffleboard.

Bob: Shuffleboard!!!

Then what did you do, Don?

Don: We went out for the "Early Bird Special".

Your friends at the Club hope that you are having another exciting winter in Florida.
