From The Helm

From The Helm

Summer is over, happens every year and the Club has to go on. I hope all of you had a great summer and are ready to face the cooler days. So come and enjoy the fall view from the deck there are plenty of warm days left.

I have to say the Lunch & Thursday night Dinner attendance has improved. The food is always hot and good. Some of you might not be aware that Frank (our Chef) will accommodate your needs and you can always order off the menu, that's right, even on Thursday night dinners.

At your next visit to the Club, don't forget to check out the fall haberdashery selection, Bill Selski is doing an outstanding job. Well done Bill. Dorothy Ashmore & Bill Selski are working on the club directory. There is still a chance to get your business card in the directory, please contact Dorothy or Bill.

I also would like to thank Bill Lynk and his helpers (not sure who they were) for installing the columns at the front entrance.

And don't forget to show up at the next meeting, hope to see a better attendance there too.

Fred Friedrich Commodore

From the Rear Commodore

Greetings,

Well, the summer is officially over, let's all pray for a good indian summer to keep those boats afloat as long as possible!! It's also time to move the parties indoors. By the time of this printing we will have had the first fall Race nite. The next night at the races will be on Oct 17th. (I can taste that roast beef already) followed by a Halloween bash (costumes??) on All Hallows Nite, looking for suggestions, (how about it M.S. or B.B?) I will send out a separate mailing with

WARD ROOM

I encourage you to visit the club, enjoy the view and participate in the many exciting activities available. In this regard,

We have planned a Dave page FISH FRY with his crew. It is on Oct. 30, 1998, starting around 6 PM. \$7.00 tickets will be at the bar shortly.

Michael J. Mulvey, Vice Commodore

FYC WOMEN'S AUXILIARY

Well, October is here already and hopefully you all are enjoying these beautiful autumn days and the less hectic rigors of the summer season.

We had a fairly good turnout at our September meeting where we enjoyed a "Starbrite Candle" party presentation. Some of us even did some Christmas gift shopping!

Coming up this month is our PASTA NIGHT on Friday, October 16th from 6 - 8 p.m. We will need cake donations from you for the dessert table and hopefully you will forget cooking that night and bring your family and friends to the Club for a good pasta dinner to support this endeavor. Tickets are on sale at the bar for adults \$7.00 and children under 12 for \$3.50, and this includes pasta, meatballs, salad, rolls, dessert and coffee. I hope you will all try to attend and support our major fundraiser!

For your information, following are future meeting dates to mark on your calendars: this month October 14th, November 11th (Chinese Auction), and December 9th--all at 7:30 p.m., Let's see more of you at our meetings, and please come and express your ideas and suggestions -- they are always welcome and needed to keep us going.

Meanwhile, looking forward to seeing you at our next meeting on Wednesday, October 14th. And a reminder to get your PASTA NIGHT tickets early!!

Kathy Zadrovicz, President

Support our Women's Auxiliary Pasta Night

Friday, October 16, 1998 • 6-8 p.m.

	2nd Place	Wally Kimball	1.91 lbs.
	3rd Place	Ed (Pappy) Wargo	1.77 lbs.

History of Fayerweather Yacht club

In 1954 the FOG HORN was founded due to the efforts of Charles Lane, and by 1955 a new tender could be found at the dock of the Fayerweather Yacht Club.

Water activities in 1957 focused on an overnight race held in conjunction with the Barnum Festival. Predicted Log races were a weekly feature, and the Annual Fayerweather Cruise had the greatest turnout ever.

The founding of the Ladies Auxiliary was a highlight of the year 1957. We salute the auxiliary for forty years of dedicated service!

By 1956 we find the club roster had grown to five hundred dues paying members. A weather station, including a barometer donated by Joe Walsh, was installed and an original oil painting was presented by artist Harry Hanson.

Creature comforts and efficiency were not ignored as the restrooms and kitchen were renovated. Nautical activities included navigation classes held at the clubhouse.

1961 saw the establishment of the South Yard. The parking area was paved and the hoist was electrified. A major improvement in 1961 was the construction of the sea wall at a cost of approximately seventeen thousand five hundred dollars. Steve Horvath acted as the contractor

Waterborn activities were plentiful. A club sailaway to the Norwalk Islands was held. Frostbite racing was approved and Terry Roach was awarded the Fred Newport Trophy. By 1967 thirty six boats were participating in the Frost Bite Races.

A highlight of the year 1967, during the tenure of Commodore Steve Horvath, was the construction of the lighted outdoor dance floor. How many couples have romanced under the stars since then?

The nautical scene continued on center stage during the season of 1977. The Junior Sailing Program saw its start with over fifty children of club members taking part. Jack Norris conducted a sailing seminar. A single handed race and an invitational regatta were well attended.

For a long period women were not allowed to drink at the bar. Some progress was evidenced when the rule was relaxed to the extent that male members could sign a female member into the bar. In 1960 the bar to women in the bar was finally dropped. You've come a long way baby!

Let's pause at the bar to acknowledge one of Fayerweather Yacht Club's best kept secrets. In 1960 the John Nagy Fund was established to offer a prayer and a toast to John's memory annually. Line forms on the right!
