## From The Helm

Time flies too fast and things are coming up faster than expected. A reminder March 21 is our Commodores Dinner Dance, see the ad in this issue. The tickets are available at the Bar. We will have a live seven piece band and the food is catered by D. Grant Catering. Buy your tickets early and don't miss out on a great affair. Club business is going well. We have lots of new projects we hope to accomplish, i.e. club grounds, club house, docks. We are in the process of rebuilding the tender shed and it will be all done with members donations and members sweat equity. I would like to thank George Nemeth for donating the windows for the shed. Let the donations roll in, every little bit is appreciated. By the way The Smoke Eaters are coming, promise. Have you been to the club lately? Noticed the new carpet, looks great. Thank you Woman's Auxiliary. What a great job, please keep up the good work. PLEASE treat the carpet with care. If your spouse would like to join the Auxiliary please see Kathy Zadrovicz. All our committees are formed, but there are openings on a few of them. Look at the FYC bulletin board and if you would like to join, see a committee contact the committee chairmen, all help is appreciated. Good Friday is coming, mark your calendar we definitely need all the help on that day. New member, come on Good Friday, there is no better way to meet your fellow club members and help the club. If you sponsored a new member, please, give them a call and bring them to the general meeting. Invite them to club function, so we can make them feel welcome. I could go on and on, but I start to feel like Don Worth with the long letters. On the serious side if you have any concern or ideas how to improve FYC see me, call me or e-mail me ([fred.friedrich@mci2000.com](mailto:fred.friedrich@mci2000.com)) I am always available for you. My motto "make FYC user friendly".

Your Commodore Fred Friedrich

# FYC Women's Auxiliary

After our 2-month winter reprieve, we'll begin another year with our first meeting on Wednesday, March 11th at 7:30 p.m., with the Executive Board meeting at 6:30 p.m.

At this meeting we will have our election of officers followed by the installation ceremony. The slate to be presented was listed in the February FOGHORN.

Hope you will all try to attend this special meeting and help me with suggestions and ideas for the coming year, including meeting programs, social events, and possible fund raising. Your input is always welcome and greatly appreciated.

Also, I'm sure many of you have been to the Club and noticed the new carpeting the Women's Auxiliary purchased for the club. Since it was installed in late January, I did not mention this fact last month. If you haven't seen it, make it a point to stop in some day. So far we've received nothing but compliments for this major improvement. Hopefully, members and guests will treat it like they would in their own homes and try to keep it as clean and good looking as it is today.

In closing, I look forward to seeing you all at this next meeting.

Kathy Zadrovicz, President

## From the Rear Commodore

Hello Again,

Well, we had our first Race night on Feb 21. Everyone had a great time and some made some good choices on the seahorses. I would like to thank everyone for coming down, but some especially heartfelt thanks go out to the volunteers, without their help, this party would not have been possible.

The next event will be a St. Patrick's Dinner/Dance to be held on March 14. Dinner At 7:00 (Traditional Corned Beef and Cabbage) with Dancing from 8:00 til 12:00. Entertainment provided by A.J. the D.J. Hope to see you all there.

# NOTICE

We are planning to compile a Club Directory which will include everyone's name, address and phone number. We are also going to include a networking section which will be listed by business or service first and then the names of those members who wish to be listed under each category. Business size ads will also be included.

This undertaking will take some time. We would like to start by asking those members who do not wish to be listed to notify us as soon as possible so your name can be omitted. If **you** do not notify **us**; **your name will automatically** be included.

Those members who wish to be listed in the networking section, please fill out the information below and send it to the club in care of the Secretary.

Anyone wishing to place a business card ad please fill out the information below and include your business card. We will notify everyone when costs have been determined for the business listing and ads and you will have the option of going forward or not. If we can generate enough networking listings and ads to cover printing costs, the directory will be free, if not, there will have to be a slight charge per copy. Distribution is yet to be determined.
