Summer is here and I see all the boats out there. What a sight, too bad the season is so short, but I hope that we all make the best of this season. The progress at the clubhouse is slow. We need many more volunteers and participating members. Please see any of the officers or see me if you would like to volunteer, there is plenty to do. I'd like to remind the membership that we do have club rules (i.e. house rules, dock rules), please take a few moments to read them and please follow them. The rules and fees are posted on the bulletin board. Vic Gracer will gladly make you a copy if you need one.

With this I wish you a good boating season and I hope to see you at all our summer functions.

Your Commodore, Fred Friedrich

From the Rear Commodore

I'm a bit disappointed. I Scheduled a Mystery Night on June 6th, replete with an acting troupe and all. I had a grand total of 2 people sign up. (Thanks C & J). I hope this is not a trend that will continue through the year. Remember folks, it takes people to make a party, have a good time and benefit our club. I'm really hoping for a better turnout on July 18 for the Pig Roast/Hawaiian Luau. Roast pig with all the trimmings, Hula dancers (Real Ones!), Etc... Sunday July 12th is the cutoff, Firm! I need time to get the numbers to the caterer. By the time you get this, you should have received a post card with all the details. Any questions, please call the club, or give me a call at home.

I'm wishing all a great summer, That's all for now.

Rear Commodore
Bob Schley, 259-6405

All moorings are in as are most of our boats. The emphasis this month is the Fayerweather Cup Race and we would like to have a good participation as this is the first of its kind. The Bishop Cup draws from many clubs and we want to have Fayerweather make a good showing... this is our race and for the year at least, is limited to members only.

All other racing is going well and we have had good participation in both the silverware, non-spinnaker and cruising classes.

The cruises start on July first and will continue as listed in the last Foghorn and as posted on the sailing board.

Any question, call me at 268-5775...

FYC Women's Auxiliary

Since we have no meeting in July or August, this will be short and sweet! We had another enjoyable evening with plenty of good food at our annual Pot Luck Dinner last month, and I'm sorry some of you had to miss it (however, we missed you)!!

Meanwhile, note on your calendars that our next meeting will be on Wednesday, September 9th at 7:30 p.m. hope to see you all then--and I wish you all a safe, sunny, healthy, and great summer!

Kathy Zadrovicz, President

WARD ROOM

The galley has added more special items for its tasty and delectable lunches. Why not invite your co-workers for a great lunch with a terrific view and a change of pace.

The haberdashery is doing well and we have a fine array of items to choose. They are reasonably priced and come in a variety of sizes and colors. Good bargains.

Summer is around the corner - I encourage you to visit the club, enjoy the view and participate in the many exciting activities available.

My boat the MARY J is still covered and now I have a few weeks to get her in the H2O. Hope I make it by July 4th.

Michael J. Mulvey, Vice Commodore

FISHING COMMITTEE

First, some sad news to report. Chris Bilyard has tendered his resignation as Co-Chair of the FYC Fishing Committee. He was a big help for me when I was traveling constantly to California and I would like to thank him very much for his support and help. He will continue on as a committee member and help out whenever and wherever he can. Thanks Chris !!

Also, Paul Dubin, a Life Member of FYC, and my father-in-law, passed away June 12th. He will be missed and our condolences to his wife and my mother-in-law, Kay Dubin who is a member of the FYC Women's Auxiliary.

Our July Committee meeting is scheduled for July 3rd, Friday at 8:00 p.m. We'll have a lot to cover as well as special planning for the InterClub Bluefish Tourney on August 2nd. To warm us up, the Committee decided at our last meeting to hold a Six (6) Species Fayerweather Tournament on July 19th. You must sign up for this FYC-Warm up- tourney NLT 7/18. We will have beer available but no food. Cash awards will be presented to the largest fish only caught in the following species categories: Bluefish, Striped Bass, Weakfish, Winter Flounder, Blackfish, Fluke (Summer Flounder). A Special Award will be presented to any angler with a Grand Slam (Three (3) First Place finishes in any 3 categories !!) We need a minimum of 6 boats entered to make this work, so put Sunday, July 19th on your calendar. The Tourney will run from 5:00 a.m. to 3:00 p.m. on that date to insure a chance for that Grand Slam !

Our August Committee meeting will be held on July 31st, Friday at 8:00 p.m. This will allow me to pass out rules, t-shirts and hats to the InterClub Bluefish Tourney participants. We will also plan our attack to bring the InterClub to FYC this year !! We've improved our standings for the past 4 years, let's take the big jump to #1. I'll be calling all fishing members to remind them that the sign up last day for the InterClub is July 15th at 6:00 p.m. There will be no late sign up's available like years past.

The Annual FYC Fishing Contest standings as of June 13th, 1998 were:

Winter Flounder:	1st Place	Ed Wargo III	2.27 pounds
	2nd Place	Wally Kimball	1.90 pounds
	3rd Place	Ed Wargo Sr.	1.77 pounds
Bluefish:	1st Place	Craig Gannon	12.68 pounds
Striped Bass:	1st Place	Ed Wargo Sr.	33.00 pounds - WOW !!
Fluke:	1st Place	Ed Wargo III	4.0 pounds
Weakfish:	1st Place	Mark Gagnon	4.76 pounds
	2nd Place	Ed Kasper	3.80 pounds

Best Regards & Tight Lines

Ed Kasper
Chairman, FYC Fishing Committee

Summer Sailing Update

Everyone is welcome to participate in the Championship Series or other racing events this coming year. If interested call Ed Lobo at (203) 336-0161 ext. 5237 days or 734-1163 in the evening. I will be more than happy to send an entry form, schedule, and Sailing instructions to you.

Two races were held for the Spinnaker Class on Sunday June 7th, 1998. Charles Lemeiux took a first place in Race #1, while Dave Riordan in *Quality Time* was in second place. This was a short race with only two minutes separating first through fifth places. Ed Lobo took a first place in the second race in *Sea Wolf*, with Dave Riordan in hot pursuit taking second place and winning the day with two second place finishes.

The single Non-Spinnaker Race was won handily by Bob Kranyik in his O'Day 31 *Silver Heels*.

It is early in the season and only five Spinnaker races or four Non spinnaker races are needed to qualify for an award. Get your entry in right away and join in the fun of Yacht Racing.
