From The Helm

From The Helm

First, I would like to congratulate our 153 new members, which has brought us up to a full boat of 700 and a waiting list on the board.

Second, thanks again to the Women's Auxiliary for the new dishwasher that has been installed and has made the kitchen help very happy. To the members, the kitchen will be open for lunch seven days a week starting in July.

Again I would like to ask everyone to please bring all bottles and glasses back to the bar.

There will be no general meeting in July, go out in your boat and enjoy the sound.

See you next month.

From the Rear Commodore

Thanks to the many people that attended the Opening Day Ceremonies and the Picnic afterwards. The ceremony was very touching in its remembrance of our fellow members/friends who have passed away over the past year. And the Picnic? the entertainment committee received many compliments on the food and the friendly service they provided. It was nice to see so many people using the club!

Caribbean Nite is well into the planning stages we have a island band "Special Bru" for the music, a great food menu this year, a limbo contest planned for the limber and the bar makes tropical drinks, its July 17th that's a Saturday nite, so get your tickets and come on down there may be a few surprises in store!

Swim across the Sound August 14th is our "Family Day" the profits from this go to the Swim Across the Sound fund, its a good opportunity to have a good time and help the club make a positive contribution to the community. We plan to have food on sale, and fund raising events to keep the children occupied and interested. For those who never heard of this Swim Across the Sound Event..... a group of swimmers swims from LI to CT into Black Rock Harbor and up to Captain's Cove Seaport, to raise money for St. Vincent's medical center, they pass right by the dock, and really need to hear the cheers after that swim. As any Sailor or power boater knows the sound flows like a river when the tides are moving, these swimmers need all the encouragement and support we can give them!

The Clambake sales are moving right along, 75 people so far and its still early yet. Thanks to those that "got the ball rolling"!

I've been investigating costs for a night out Millennium New Years Eve, my first reaction to what I hear is "excuse me"? then how much? and for what? As most of you know have an annual New Years Eve party at FYC, this year we're really planning something special, nothing is firm yet, other then we will be Celebrating, and we will have to limit the ticket sales so the group will be able to enjoy themselves to the fullest, so we will be finalizing the ticket sales early so there are no surprises or disappointments. As soon as we have the plans we will let you know so you can decide if your interested and sign up.

One other note about the cards put on the bar and on some of the tables to notify members of events. These Notices are placed so that members will become aware of the upcoming events and have an opportunity to decide for themselves if they would like to attend. I've noticed as of late, for whatever reason, that they have been removed and probably discarded. These cards are donated by a member, to help fellow members become aware of an event, so they can attend and enjoy themselves. By removing them you are; attempting to make the decision to attend or not to attend for them, and cheating them out of the opportunity to enjoy the club, congratulations. I believe they offer more information and are more attractive than a "buy Bud" POP display, if there is a valid reason for the removal of the notices please let me know.

Frank Stirna, Rear Commodore

NOTICE

The special assessment bills will be mailed on July 1, 1999 to all members who have opted to pay \$90.00 annually for 5 years.

I'd like to have this in early September most likely the 11th, naturally the goal is to bring the cost to the minimum, where we'll need cooperation in the sign up process. I'm putting a graph chart in the bar for sign up starting next monday, all bets are off until we reach 100 people then the people who have signed up are committed and I'll start collecting the money and arrange for the Clam bake, this is a good value and a good opportunity for everyone to have a good time, the caterer even takes away the trash.

FISHING COMMITTEE - May 1999

The "Budweiser" Interclub Bluefish tournament is scheduled for August 1st. This is the only tournament for the year which is limited to members only. Participants must sign up by July 21st in order to receive their hats & "T" Shirts. The last day to sign up in order to take part in the tournament is July 28th.

The fishing committee meeting which normally takes place on the first Friday of the month will be pushed up from August 5th to July 30th. The regular meeting will be at 8:00 and will be followed by a planning meeting for all of those members who plan to fish in the tournament. It's been brought to our attention that the fishing contest results are usually printed in the "Foghorn" on an ongoing basis, but we thought we would wait until there was a little more activity to report before publishing. We plan to begin publishing the results in the August issue of the "Foghorn".

The last time I checked, however, the results were typical. Ed Kasper was there, the Wargos were represented, The Brezoskys were there, and as per usual, The Lynks were not. I understand that the commodore is interested in taking up sailing.

FLEET CAPTAIN'S CORNER

Tuesday morning races going well...last count we had a high of 9 boats...now that Dave Riordan is retired and has joined us in this endeavor, we should learn from him and improve our skills.

First Cruise...leave on Sat July 10...Connecticut River is goal and for those who don't wish to stay in the River, there is always Shelter Island just across the Sound. Please join us if you can...all are welcome, power as well as sail.

Second Cruise...Shelter Island Annual...leave August 7...return on or close to August 14...the stops have been posted but for a most recent update on where we go and what we do, there will be the usual pre-cruise meeting, probably on Friday 7/30...that is, if I can get Jim Anderson to clear this date with the BOG...thus far he has been most successful. Plan on it.

FINAL NOTICE...has been posted in the locker room and on the sailing board, as to the removal of the old sails and masts for frostbiting which have been there for years. We plan to deck-over the area above the "stalls" and also install a doorway in the East side of the locker building, to be able to put masts in the loft from that side rather than as we do now...all gear will become the property of the Club, the disposition of which will be at the discretion of the Board of Governors.....AUGUST FIRST IS THE CUTOFF DATE, BEYOND WHICH THIS GEAR GOES TO THE CLUB BY DEFAULT.

Sailing Update

The summer sailing season is now underway. The first race of the championship series was held on June 6. The race started in very light wind with Moondance skippered by Cliff Crowley taking an early lead in the Spinnaker class on the left side of the first upwind leg. Special Sauce (Tom Bobbin), Audacity (Linc Schoenberger), and Evangeline (Jim Connelly) closed the gap nicely on the downwind leg. As the wind freshened and veered to the East, Hot Chocolate (Ron Manning) and Water Wolf (Ed Lobo) were able to gain ground and make it an interesting finish. After the corrected times were calculated Special Sauce was in first place, Hot Chocolate was in second place and Water Wolf took the third spot.

The Non-Spinnaker class was won by newcomer Jerry Hricik in the Tanzer 22, Paligar. Ollie Bartine skippered Sounder into second place, while Bob Kranyik took the third place finish in Silver Heels.

A steady 10-15 knot wind from the east allowed the Race Committee to set up a perfect 11.4 mile course for race number two on Sunday June 13. This race was again won by Special Sauce just 13 seconds over Dave Riordan's Quality Time. Water Wolf again took the third spot just thirty-seven seconds behind Special Sauce.

The Non-Spinnaker class was won by Christian McNeil aboard his new Tarten Ten Renegade. Moondance, a C&C 35 skippered by Cliff Crowley took second place. Ollie Bartine in Sounder took third place honors.

This year we are offering an introductory fee for skippers in their first season of racing and racing in our Non-Spinnaker division. The race fee will be only \$20.00 for those meeting these requirements. Copies of the 1999 Race schedule can be obtained from the Sailing bulletin board at the club.
