From The Helm

From The Helm

Well it's the beginning of a New Year and I would like to thank all the people that put me back in office. I would also like to ask all our members to start patronizing our Rear Commodore events and let's try to bring back the old Fayerweather Yacht Club. Anyone that attended the Race Nite on January 16th can tell you of the fun that is had.

We are in need of a dockmaster for the coming season and if anyone is interested in the job they can contact me at the club, 576-6796 and leave your name and phone number and I will get back to you.

With a little help from the membership, maybe we can get some good things going at the club.

We are always open for suggestions.

Thanks for your support,
your Commodore Bill Lynk

From the WARD ROOM

Greetings

I hope all had a happy and healthy holiday season. I think I am going to miss being Rear Commodore, all the parties and such (Who am I kidding). Please join me in welcoming Bill Lynk, returning, as our Commodore and Frank Stirna as our new Rear Commodore, also, the returning and new members of the Board of Governors.

Thursday night dinners are doing well, hope to see you there, and if you can, visit us for lunch. Mike left all in order and I hope to expand on his ground-work. I'll keep everyone posted on the menus.

The Haberdashery will be fully stocked soon with some great new choices.

I look forward to working with everyone to make this a banner year for FYC.

That's all for now,

Vice Commodore

Bob Schley

We started out this years events with a Race Night on January 16th, the club was packed! Everyone had a great time. The kitchen crew cooked a delicious roast beef dinner and the entertainment committee set the club up and the races ran without a hitch. Thanks to the Entertainment committee, all the sellers, jockeys, the caller, players, and everyone who worked behind the scenes, all are necessary ingredients for a fun, entertaining evening. As you can tell this is an event where everyone gets involved. We have the next **Race Nite** on Saturday the 13th of February, Tickets are \$6.00 which includes the highly recommended Roast Beef dinner, Valentine's for the winning Ms. Jockeys in selected races. No ticket is necessary to participate in the races after dinner. So if 7 pm is too early or too late for dinner or if you run late, bring your guests and come on down! The action continues till about 10.

In addition, we have the first dance of the year, the **Oldies Dance** on February 27th from 7-11, A DJ will play music by request, come on down and dance or just listen to your favorite music and socialize. Tickets are \$8.00 and Include a hamburger and fries, they are on sale at the bar. If you can't get down to the club to purchase tickets for either event call me and arrangements to get tickets to you will be made.

I'd like to make myself as available as realistic to the club membership. Any notes containing, questions, comments, constructive criticism, or suggestions can be given to a club staff member to be placed into my mail slot, Or if you prefer, I can be reached at 254-3090 days and 377-3842 evenings. Call if you need information as to what occurs or what to expect at an event, It is my goal to make it as easy as possible for members and their guests to attend and enjoy club functions.

We need people to serve on the Entertainment Committee it is a one year commitment. The committee sets up the club functions that entertain us through out the year and is one of the most important groups in the club. Anyone interested in joining please call me, I look forward to speaking with you.

Your Rear Commodore, Frank Stirna

FISHING COMMITTEE - February

Hope to see every member attend our Annual Beef & Brew affair this year on Saturday, February 20th, 6:30 p.m. Everybody loved this dinner last year, so tickets will be going fast. This is a special Rocky Mountain Beef Brisket recipe with a sauce so secret it's in the CIA's archives. Should you wish, there'll be plenty of extra helpings served so bring a hearty appetite and a few friends. This will be the only dinner that the Fishing Committee will sponsor this year and the price is right at \$10/person. This fair price will include hearty portions of Rocky Mountain Brisket, that Secret Sauce, Potato, Vegetable, Soda and Beer on tap.

Congratulations to Bob & Mark Brezosky who have taken the helm as Fishing Committee Co-Chairmen. They have a great team for support & I hope more members will consider joining this 'Fun' committee and supporting Mark & Bob this year. As a matter of fact, Sue Monroe joined our committee at the January meeting and we would like to give her a hearty 'Welcome Aboard'. If any more ladies are interested in this fun sport & Committee crew, please come & meet with us on any first Friday of the month.

Frostbite Sailing Update

The Frostbite season is now about to the half-way point. Sixteen Frostbite participants hit the starting line this past Sunday. Eight Fayerweather Dinghies and eight lasers raced in the mild 5 to 8 knot breeze.

The season standings are very close with first thru third places still up for grabs in each class.

In the Dingy Class Pat Hickey holds the lead over Terry Roach, while Bob Kubis is in third place just ahead of Paul Dohan. Tim Anto is still in first place in the Laser Class just slightly ahead of Todd Williams. Ed Lobo is in third place. The complete standings for each class are shown in the attached tables.

The 1999 FYC Laser Regatta will be held on Saturday March 6, 1999. Last year there were 24 Laser sailors participating in this event. We expect to see more this year.

A skippers meeting is scheduled at the club on February 9, 1999 at 7:00 PM (Tuesday) to plan and schedule the Summer Sailing Program. All interested Skippers, Crew, Race Committee persons, and world champions are urged to attend and help develop a new and improved Summer Racing program.

Fleet Captain's Corner

The first of our seminar's was held Jan 20 and was highly successful with 25 attendees. We had a responsive feedback which generated interest by all. Many thanks to Jo Buler and Connie Hull who hosted and presented coffee and cakes with cookies. Additional thanks to Al Namian, Paul Morris and especially to Judy Andre who came and did a presentation for Ted Andre who was ill. They were all well received.

Feb 3 is our next seminar...should be especially interesting with the Harbor Master Deputies and U.S. Coast Guard as presenters. We can all use a refresher course on safety at sea.

Feb 19 is the Annual Shelter Island Dinner...good food...good recollections...good comraderie...and this may be considered the entry to Spring.

Any questions on the dinner, call Bob Kranyik (268-8077) or me.
