Back to business. The Haberdashery is doing quite well. Bill Selski, has ordered for the upcoming season. Sales have been great, keep up the good work Bill!. FYC held a fish fry(Dave Page Recipe) on Friday March 19th, Unbelievable, 192 dinners were served and enjoyed. thanks to Dave, George, Jimmy, Lou, Dave, Bill (for reminding me of how thirsty a kitchen crew can get), and of course the Jchick clan. Not to forget the Women's Auxiliary for the delicious desserts and the Fishing Committee for the raffle.

The kitchen and bar seem to be doing better, but we need all the support we can get. Please, come down for Thursday Nite Dinners (menu in the Foghorn) and enjoy a great meal and a great time.

I'll let Frank tell you about the upcoming events.

That's all for now

had such a good time, a 60's Dance looked like a requirement, I've heard talk of this dance at other dances and parties in the area! We'll be Serving the now legendary FYC Giant Burgers and Fries, Seconds will be at 60's burgers and Fries prices. For the 50's dance we sold almost 200 tickets so again, get your tickets early. If you can't get to the club you can purchase tickets for both events by calling the club and picking them up before the event or at the door. Thanks to all that attended these functions it takes a great group of people to make a great party. Special thanks to the Entertainment committee, these people work hard at coming up with the ideas, planning and running these events. We still need some volunteers to help with these events especially on people intensive nights like Race Nites. Please let us know if you can help during the course of the night. This way we can divide the tasks and everyone can have the opportunity to help and have a good time too. I can be reached at 254-3090 days.

Hope to see you at the functions!

Frank Stirna, Rear Commodore

FYC WOMEN'S AUXILIARY

At our March meeting installation of officers took place and I'd like to thank you all for your support and encouragement to serve you another year, and especially the generous help I always receive from my wonderful officers and Board members.

At this meeting an open letter to wives of new FYC members to join our Auxiliary was approved and will be printed and distributed to the 30 new Club members accepted at the last General meeting. This letter will also be included in packets for any future new members of the Club. As I have mentioned before, any spouse or single daughter of a current member is welcome to join the Auxiliary -- membership applications are available at the bar.

Also, at the Club's fish Fry on March 19th the Women's Auxiliary provided the dessert and coffee, and I'd like to thank all the ladies who donated delicious cakes, pies, etc., and specifically Kay Kadar and Judy Duva who helped in the kitchen. Many compliments were received on the great assortment we had.

On Saturday, April 3rd, at the Children's Easter Egg Hunt we'll have our Cake Sale and Easter Bunny Raffle, so I hope you'll remember to drop off your donations and perhaps give us a hand.

Our next meeting is on Wednesday, April 14th at 7:30 and the highlight will be a Chinese Auction. Hope you'll remember to bring some good "auction" items because this has always been a popular evening. Mark your calendars now!!

Meanwhile, hope to see many of you at this meeting so we can discuss and begin planning for Opening Day festivities on Saturday, May 29th.

Cordially,
Kathy Zadrovicz, President

NOTICE NOTICE NOTICE

Annual Good Friday Work Day April 2nd

We need all the volunteers we can get for the annual Good Friday work day. Mark Ostrofsky has the paint necessary for the Spring preseason spruce up of the Club and the grounds. But we need ladders and other painting and groundskeeping equipment and most important we need lots of people to make it all happen. Lunch will be provided for the workers, this is a good opportunity to join the dedicated club members in action, meet new people, catch up with old friends and give the club an appearance we can all be proud of.

FISHING COMMITTEE - APRIL

Fishing buttons are on sale at the bar for \$8.00 each and sales are going well. By the time you read this article, raffle tickets will be on sale at the bar for a top quality bait casting rod & reel. It's a St. Croix rod and a Shimano "Corsair 400" reel with a total retail value of \$175.00. It's on display in the bar now so stop in and have a look. If you don't know anything about fishing, this is the type of outfit that's light enough to have fun with Flounder, Blackfish, and Fluke, but heavy enough to land a good sized blue or Striper. We plan to hold the raffle at the club on opening day so there's plenty of time to buy your tickets. Remember...a bad day of fishing is better than a good day at work.

WANTED....A good woman who can cook, dig worms, cut bait, and has a boat & motor. Please enclose picture of the boat & motor.

Winter Educational Series Great Success

The F.Y.C. Winter Educational Series was a great success this year with nearly 200 members and guests attending the six sessions. Topics included Cruising in Long Island Sound, Safety at Sea, Racing, Blue Water Sailing, Sail Selection and Care, and Fishing in the Sound.

Special thanks is due to the presenters, including Bob Butler, Al Namian, Ted Andre, C.J Stites (Deputy Bridgeport Harbormaster), Petty Officer Edward Montgomery U.S.C.G.), Ed Lobo, Dave Riordan, Bruce Moore, Tom Waage, Charlie Nolfo, Scott Moore, Bob Pattison (Chief Designer, Neil Pride U.S.A.), and Ed Kasper.

Much appreciation is also due to the hosts and hostesses for the meetings, including Jo and Bob Butler, Erica and Lonnie Kotowski, Paul and Nicole Morris, Ted and Judy Andre, Bob and Louise Kranyik, and Brian and Joan Butler.

Sponsored by the Geritol Club, the Sailing Committee, and the Fleet Captain, Bob Butler, the series will likely be held again next year based on this year's attendance. Members with ideas for next year's sessions should contact Bob Butler or Bob Kranyik.

Bob Kranyik, Series Organizer

Fleet Captain's Corner

The seminars have ended and were well attended...200 or so total...we will do these again next year under the capable guidance of BK. We would like to have the ladies become more involved in the structure and presentation of the subjects, some of which could certainly be of their choosing.

Moorings will start going in April 3 or so...please check yours and let me know when you are ready to go...that way I can look it over and if any changes are necessary, there will be time to do so. Only the moorings which are going in for the first time this year, will need to be inspected by the Harbor Master. See sign-up list on the board.

We have much to do on GOOD FRIDAY...WE CAN USE YOUR HELP. Some tools needed that day: rakes...flat shovels...wheelbarrows...paint brushes...cloths...eight foot ladders... hammers... think about what you would like to see accomplished that day, and bring what is needed to do it. IT ALL STARTS WITH YOU.

Dates to watch in the next month:

5/5...the Bob Olah Presentation for Families, Crews and Guests.

5/15...the Harbor Master's Flare Day at Captains Cove for all our members, including fire fighting and our shooting off of 3 flares each. Your old flares can also be turned in for disposal by HM.

Sailing Update

The frostbite season came to an exciting end this past Sunday March 14. The weather condition on the final day was the best it has been all year long. The wind was easterly at 10 to 12 knots and held for the entire afternoon.

The Dinghy class was won by Pat Hickey at 1.34 for her average score. Terry Roach was in second place with a 1.57 average. Bob Kubis took third place honors scoring an average of 3.00 ahead of Gloria Roach who qualified on the last race and scored an average of 3.42. Paul Dohan was only a bit behind Gloria in fifth place with a 3.48 average.

The Laser class went down to the very last race where Todd Williams eked out first place honors over Tim Anto. Todd score of 1.79 to Tim's 1.82 could have gone either way. Ed Lobo took the top Masters award with an average score of 2.12.

The score summaries for the season are listed in the chart.

The FYC 1999 Laser Regatta was held on March 6 in blustery 15 to 20 knot conditions. Eleven Lasers hit the starting line for seven races. This years regatta was again won by Ryan Minth scoring 11 points in the best six out of seven races. David Hoffman of Cedar Point Yacht Club took second place with 12 points, while Eric Robbins also of Cedar Point was in third place with 13 points.
