From The Helm

From The Helm

Boating Season is now open for the 2000 season, hope everyone is ready with their boat. Reminder to everyone of the Dock Rules, especially the twenty minute rule on the dock, and also no cleaning of boats on Saturday and Sunday!

I have to apologize for forgetting the Opening Day day in the Foghorn last month. I had a lot of other things on my mind, pertaining to the club, getting volunteers around here is hard.

I'd like to congratulate our new Rear commodore, Tom Dardis and his wife Kathy. Tom is going to try a new thing this year, he is going to try a Race Nite on June 24th, now that we are Air Conditioned, come on down and enjoy.

There is two sheets on the bulletin board with jobs and sign-up sheets to get in your work hours.

Till next month.

From The Ward Room

Hello,

I would like to thank all who shared Mother's Day with us at the Club. It was a great turn out and I trust all enjoyed either Breakfast or Dinner. Many thanks to Frank, Julio, Danielle and all others who worked in the kitchen, it was a tremendous task and was well done. Thanks also go out to our Commodore, who assisted me with seating arrangements, some thing I could not of done alone. I hope the weather takes a turn to the better by the time you receive this. See you at the Club. Thanks again

Vice Commodore, Walt Dobosz

From the Rear Commodore

First I would like to thank the membership for electing me as Rear Commodore. I am hoping the events which will be scheduled for the remainder of the year will be successful and

entertaining for all who attend.

The Oldies Dance was a great success and everyone had a good time. Every where you looked there was a white tee shirt with a pack of Lukies stuck in the sleeve, and even a poodle skirt or two. The disc jockey was great and hula hoops were spinning everywhere.

We have scheduled a Race Night on June 24th plan to come down and have a fun night in our newly air-conditioned club. Tickets will be on sale at the bar. Who knows number five may win once or twice.

Tom Dardis
Rear Commodore

WOMEN'S AUXILIARY

Opening Day is now behind us and hopefully we're all eagerly looking forward to a glorious summer season at the club, whether boating or socializing. A big thank you to all of you who donated "goodies" for the Bake Sale and those who helped with the raffle. Also, to past President Kathy Zadrovicz and crew for planting the beautiful flowers around the deck and club yard.

Our next meeting night, Wednesday June 14th, will be our annual Pot Luck Dinner where the members bring their special dishes to be shared by all. We will have a short welcome at 6:30 and dine at 7:00. Husbands are invited or, if single, widowed, etc., invite a friend or relative. Please call Kay Kadar at 259-0740 if you wish to attend and haven't already signed up and let her know what you intend to bring. This is always an enjoyable evening with good food and friends and will be our last meeting until September.

Hope to see you all.

As ever,
Ginny Lussier, President

Fayerweather Yacht Club Championship Series

2000 Schedule

This year the FYC Championship series will begin on Sunday, June 4, 2000. Entrants will automatically qualify when they send in an entry form with a check for \$75.00 for the "Race Class" (Div I), or \$60.00 for the "Cruising Class" (Div. II), and complete one day of Race Committee assignment. This year we are introducing the "Fun Fleet". This "Fun Fleet" will not have an entry fee, trophies, or race committee duty. This fleet will be listed as Division III and will be scored the same as the other divisions.

The scoring will be based on PHRF "Time on Time". This will allow boats with higher PHRF numbers to be more competitive. The standard PHRF allowance will be given to yachts that race Non-Spinnaker. The final scores for all divisions will be based on the best six races.

The entry fee includes the Single-Handed race, the Port Jefferson Race Weekend, and the Ken Johnson Memorial Race. Please call Ed Lobo at home (203) 734-1163 or at work (203)336-0161 ext. 5237 if you need more information. Entry forms are available at the sailing bulletin board.

The annual Fayerweather/Black Rock Regatta will be held on June 24 & 25, 2000. The Regatta will consist of one race on the Saturday and one race on the Sunday. Festivities will follow the racing at FYC on Saturday and at BRYC on Sunday.

FISHING COMMITTEE

We had a successful "Hunky turkey" night despite some very inclement weather. There were 72 members & guests who came out in the cold, wind, & rain and managed to have a great time. Our thanks go out to Ed Kasper who helped with the preparation of the food and also with the clean-up detail. We also want to thank Bill Lynk who got the outside grill area straightened out so that we had room to cook. Finally, we want to thank George Nemeth and Dave Shomsky who helped with the ticket sales and the 50-50 raffle, and Gary Kopsko who picked up that very special rye bread that everyone enjoyed. The "member-guest" Flounder tournament went well although very few fish were caught. The good news is that there were 10 boats entered and 30 fishermen took part in the tournament. Here are the winning captains, the names of their boats, and the weights of their catches:

Heaviest fish:

1st	Ed Wargo	3rd	(Creeper)	2.14 lbs
2nd	Ward Strang		(Sisty)	2.00 lbs
3rd	Ernie Gagnon		(Pot luck)	1.69 lbs

Total weight:

1st	Ed Wargo	3rd	(Creeper)	6.59 lbs
2nd	George Palmgren		(Akvavit)	4.30 lbs
3rd	Ward Strang		(Sisty)	2.88 lbs

Our thanks again to Ed Kasper and Bill Lynk for helping with the cooking on Saturday evening, and to Gerry Weiss for handling the "weigh-in" on Sunday. The next fishing event isn't until August so we'll give you the details next month.
