Till next month.
Bill Lynk, Commodore

P.S. I would like to thank all of last years officers for their help.

From The Ward Room

Hello,

My first words are those of thanks. If you haven't heard by now, I was chosen to represent the club as your Vice Commodore at the General Meeting which was held on January 14th. I have strong feelings for Fayerweather, and look forward to assisting the other officers in their endeavor to make this the best club possible.

After an exceptionally good year, the bar and kitchen continue to prosper. Many thanks to Glen and Frank, two dedicated club members and employees who handled the bar and kitchen so efficiently. I look forward to working with the two individuals, they both deserve a great deal of appreciation and recognition.

Once again, I thank you for your confidence and support. See you at the club.

Vice Commodore, Walt Dobosz

P.S. Support the Atlantic City Trip which I put together with Kim Cifatte for March 4th. A good time for all. You'll enjoy. tickets at the bar.

FINANCIAL SECRETARY

From the Rear Commodore

Hello, thanks for the opportunity to be the Rear Commodore for the year 2000.

I'd like to welcome aboard Walt Dobosz, the Vice Commodore, I had the pleasure of working with him on the entertainment committee in 1999. Walt has very good ideas on how to improve service at the club, his ideas once implemented will make dinners and lunches at the club more direct and enjoyable. And will also make coming to the club to socialize a more interesting and enjoyable experience. Let's give him our full support.

We kick off this years events with a Race Nite on January 29th tickets are on sale at the bar, get a few of your friends together and come down and enjoy, your guests are always welcome. If you have never came to a Race Nite you really should you're missing a good relaxing evening and that to me is what FYC is all about.

We still have a group that meets on Monday nights to play a few games of pool. It would be nice to have a few new faces there. I'm tired of losing to the same people.

Although this past year we have seen lots of new faces at events we'd like to see more. So, if anyone needs any information on an event just call me at 254-3090 days or 377-3842 evenings.

Frank Stirna, Rear Commodore

FISHING COMMITTEE - February 2000

We have three new members of the fishing committee; Frank Stirna, Ed Seeber, and Joe D'onofrio. We're pleased to welcome them and hope that they'll take an active interest in the committee events and activities.

In view of the fact that there have been no Mackerel in the Sound for several years, (at least not to my knowledge), We eliminated the annual Mackerel tournament and replaced it with a Porgy contest. Here are the scheduled dates for this years tournaments and fishing committee events: 2/18 Beef & Brew (Details in the rear commodores column today) 5/19 Hunky Turkey nite - 5/21 Flounder Tournament NEW EVENT...Member-Guest Bluefish, Striped Bass, Fluke tournament from 12:00 noon on Saturday, 6/24 to 12:00 Sunday, 6/25. We'll get the details to you well ahead of time. 9/15 Hunky Turkey nite - 9/17 FYC Bluefish tournament - 12/21 Annual awards banquet (tentative, contingent on approval by the B.O.G.) We haven't set a date for the Porgy tournament yet but we'll get that done at the February meeting.

The February meeting will feature a sample of home made pickled Herring caught in the Housatonic river by Ed Kasper and yours truly. (I used Ed Wargo Srs. recipe but it came out good anyway).

includes: Rocky Mountain Brisket, (that secret sauce),

potato, vegetable, soda and beer on tap!

"The Medicare Crisis"

Do you know the laws that affect your health care and how they have changed?

A Free Educational Seminar On Medicare, presented by club member Ed Fry of Bankers Life and Casualty

On February 15th at 10am and again on February the 22nd at 7:30pm, several important issues facing members and their parents today. Many changes within the Medicare system have increased the risk of needing Long Term Care.

The Seminar will discuss the current law changes and address the impact of Medicaid, asset protection, nursing home alternatives and much more. Two booklets will be distributed regarding Medicare Benefits and facts & fiction

about nursing home costs. This seminar will be educational and will not be used to present any products offered by Bankers Life. Complimentary refreshments will be served.

To reserve your place please call 268-5044 ext 928. We look forward to meeting you.

Sailing Update December

The frostbite program is approximately to the half way point for the season. Terry Roach leads the Fayerweather Dinghy fleet just ahead of Pat Hickey in second place. Gloria Roach is in third place followed by Bob Kubis in fourth.

The Laser fleet is headed by Tim Anto . Todd Williams has moved into second place ahead of Ed Lobo in third place. Tom Bobbin is in fourth place.

The Summary below lists the full standings to this date. There are now sixteen boats racing in the two fleets. This is the most boats frostbiting at FYC for quite some time.

The Branford Yacht Club has five Lasers for sale complete with boards rig and sail for \$850 each. These Lasers are in good condition and were made in 1991. This might be an economical way to begin your racing career. Call Ed Lobo at (203) 336-0161 EXT. 5237 if interested.

The Winter Laser Regatta will be held on Saturday March 4, 2000. Anyone interseted may pick up an application at the club "Sailing Bulletin Board". Entry for this regatta is only \$20.00 and this includes dinner after the regatta.

FLEET CAPTAIN'S CORNER.....1/2000

The Educational Series continues with good success and we would point out that the next two seminars will address as follows:

Feb 9...Sailboat Racing Program...how to do it and ...what NOT to do...sail trim...race courses and how to be a Race Committee...basic rules, all within the confines of the FYC Racing Parameters. Seminars are all at 7:30 and 'coffee and' will be served...no cost of course.

Helen Jankoski will host for us with Dave Riordan and Ed Lobo doing the headlining.

Feb 23...Favorite Gunk Holes and Ports around Long Island Sound. The presenters will be some of the leading experts in our club, including but not limited to :Al Namian...Carl Ardell...Bruce Moore...Jim Anderson...Bob Kranyik and me. We will touch on areas close to the Harbor and areas as far as Narragansett Bay. BK will outline what items to have aboard and the reason for the importance of each. This talk will be a good review for all of us, but particularly for the people new to cruising. Joe Ull will be the host...Joe, don't forget.

We are working to have the necessary hand-outs e.g. charts and lists of needed items.

Remember: Strictly Sail...March 16 to 19...Hartford.

... perhaps we can secure some boat show tickets...anyone that has a connection in this regard, please call me.
