## From The Helm

### From The Helm

Well, the Club is doing great with 700 dues paying members and fifty on the waiting list dues and chit books will remain the same for 2001, no increases in any payments.

Everyone had a great time at the Harvest Dance and the participation was great!!

Dues time will be coming up next month. Don't forget Dues are due January 30th and if not paid by then, there is a fifty dollar fine! After 60 days your membership will be terminated.

Last but not least, there are rumors being told about elections, that I won't be running for commodore, ignore them because I will definitely be running for Commodore!

This is the last Foghorn of the year so I'll take this opportunity to say Merry Christmas and Happy New Year!

Till next month.  
Bill Lynk, Commodore

## From The Ward Room

We are near the end of the year. Where did it go? Despite the inclement weather 2000 has bought us the bar and kitchen did very well. Thanks to all members and their guests who came down and enjoyed fine food and drink. I hope you continue to do so. I personally want to wish each of you and your families a very Merry Christmas and a Happy and Healthy New Year. See you at your club. Thanks again.

Thanks Again,  
Walt Dobosz, Vice Commodore

## SAILING COMMITTEE SAILING UPDATE

Another great summer racing season is over. We closed it out with our Annual Awards Dinner (not to be confused with Frostbite Awards dinner, which is also an annual affair). The event was hosted by Ray hannan, who awarded the prizes to the various winners. A special tribute was paid to Al Namian, who was presented with the Sportsman of the Year Award. This was well deserved as Al provides much of the committee effort involved in both summer and Frostbite racing.

Well that time has come around again.... Frostbite Racing is about to start. We kicked off with a work day on Saturday, Nov 4th. a small but effective crew got most of the key items checked out and in place. Why is it that the same people show up to do this work? the one's who didn't read their invitation can still get their "work or pay" credit by helping put a new roof on the committee barge.

We will be starting racing, for both Lasers and Fayerweather Dinghies, on Nov. 19. This will continue every Sunday (except for the Christmas Party day when we go to Saturday) through to March. We are always interested in getting the gospel out to new potential players, just come down and ask us what is involved. Likewise, we can always use support to run the races. Races start at 1 pm.

FOR FUTURE NOTICE. FYC had the most boats entered in the "Sail Across the Sound" race. As a result of this good turnout, we won a special prize.... Dave Dellenbaugh will be coming to FYC to give a seminar on the new racing rules. This should be especially helpful to us who can't follow the written legalize that will show up in the newly issued book. this will be your opportunity to meet a real live America Cup Skipper. the event will be open to other clubs. The actual date has yet to be set..... probably look for it in Feb.

This is a tradition at Fayerweather Yacht Club, come down, drink healths and enjoy!!
