Welcome to my first artical of Spring 2001!

Important, the General meeting will be on April 20th @ 8pm because of Good Friday Holiday and I can't move the meeting to the previous Friday as the By-laws say because of the Fish Fry on April 6th.

Members, don't forget Good Friday is work day and I would like to see many people as possible down to give us plenty of help, we will have lunch on the club and liquid refreshments. The bar will be closed until 5 pm and also the kitchen will be closed all day.

At the General meeting we will be having elections of about 20 new members from our waiting list of 52. For those of you that missed our St. Patrick's Day Dance, you missed a real good time. And also there is this guy called Grandpa that missed his annual Birthday cake at the Dance at 84! But Happy Birthday Raymond!

P.S. The Bar and Kitchen will be closed on Easter Sunday April 15th.

Till Next Month
Bill Lynk, Commodore

The St. Patrick's Day dinner and dance was a great success. Some said it was the best ticket in town. I think some people are still dancing! Thanks for everyone's help. Our next event will be a race night on the 7th of April. Tickets will be available soon at the bar. The Easter kids party will be held on the 14th of April 10am till 12 noon. Please let me know how many children you will be bringing so I can accommodate them all. The forms are at the bar and donations are being accepted. I Hope everyone that is able will continue to support our club. See you at the races!

FYC Women's Auxilliary

Spring is finally here and our returning slate of officers and Board members are ready to begin a new year. Our installation went well in March. Upcoming is the Fish Fry on Friday April 6th from 6:00 to 8:00 where we will be selling donated desserts and coffee. Please bring a dessert that evening or contact me and I'll arrange to have it picked up. Also, we will be having our "Bunnie Raffle" at the Children's Easter Party on Saturday, April 14th at 10:00. You can bring your bunny that morning or to our April 11th meeting or call me to arrange a pickup. We will be having a Chinese Auction after our April meeting so bring a new or old item in good condition if you want to participate. We are also looking into the possibility of having a guest speaker after our May 9th meeting who will talk to us about investing options. Guests would be welcome. I should know for sure by our next meeting where I hope to see you.

Until then, Ginny Lussier - President

From the Dockmaster's Office

Another boating season is coming up and the launch and dock activities will be starting. I'm hoping this year will be one of the best. As you all know the launch operator & dock crew are here to make sure that everything runs smoothly during the season. If you need help don't be afraid to ask.

Again as usual we are looking for a few good hands (dock crew) plus (launch operators). If you are interested in or know someone who is interested in any of these positions, have them get in touch with me thru the club, or by way of Ron Simms Sr. and I'm looking forward to meeting you all through the season.

FISHING COMMITTEE

The next Fishing committee meeting is supposed to be on Friday the 6th of April, There is a Fish Fry That Day, I'm scheduling an informal meeting at 8pm anyway because we have to plan the Flouudar Tournament which is May 6th with Hunky Turkey on May 4th. We need some help on those days hopefully the people that volunteered to help run them last year will again help run them this year, Don't forget to pick up your fishing buttons before the tournament.

One Note the raffle tickets say E&B and should say West Marine..I didn't realize they had finally changed the signs, anyone asks, the certificates will be for West Marine for a \$250 dollar value (5 fifty dollar certificates). Sorry about that.

SASSR, What is it?

It is the Swim Across the Sound Sailing Regatta. The date of the Regatta is July 15th. This is not the date of the Swim but a chance to participate in a worthy cause. This year, the proceeds from the event will be designated to the St. Vincent's mammography unit.

The committee has been meeting on a regular basis. The next meeting is scheduled for Monday, April 2nd at 7:30 at FYC. Check out the website hometown.aol.com/sassrfyc.

Volunteers are needed to coordinate several of the land-based events i.e. captain's meeting, after-sail social. Anyone wishing to help should contact Tom Lee 259-0435.

The entry fee for the event will be a donation of \$100 per boat. The day will consist of three race classifications, spinnaker, cruising and point-to-point (drag race). The point-to-point class is an informal race from the starting line to an ending point. Return trip is how you get there to join in the fun afterward. The intent is to get as many boats to participate as possible.

Look for the information for Mother's Day Breakfast and Lunch in the next month's Foghorn and on the weekly menu

Sailing News

The frostbite season has officially ended. It will go into the record book as the one with least number of races conducted. The dinghy results show fifty races, for this year compared to eighty-eight for last season. The Awards Banquet was held directly after the closing race. It was a grand affair, with three (count them!) different kinds of pizza. The class winners are shown in the final results (below).

Laser Mid-Winters Regatta

The Laser Winter Regatta for 2001, was held on Saturday, March 10th, in blustery conditions. Wind velocity at the beginning of the first race, was approximately 20 knots, with gusts to 25 knots. Everyone had a dip in the 36 degree water.

After Ryan Minth took the first race, Steve Girling won the next five races, to easily win first place for the Regatta. Richard Shattuck sailed consistently in the eight-race regatta and took second place, just ahead of Nigel Thomas, who placed third. Brian Raney was in fourth place, Tim Maier was in fifth and also the Top Master.

Digital photo awards were presented at the dinner following the racing activities.

FLEET CAPTAIN'S CORNER

SHELTER ISLAND CRUISE BREAKFAST.....APRIL 21...AT NINE...\$5.00

We look forward to seeing all the old cruising folk as well as any new people who would like to consider joining us this year. This breakfast is in lieu of the dinner we normally would have had last November or December. Power and Sail....everyone.

Please call and let me know that you are coming so that I can tell Frank in our kitchen how many to expect. This will enable him to order food in sufficient quantity and more importantly, to have enough help in the kitchen to do the job correctly.

We will go over our cruising plans for this year...July 7 to Block Island and Narragansett Bay, and August 4 to SHELTER ISLAND.

CLEAN-UP DAY GOOD FRIDAY...need people with rakes, shovels and if possible a wheelbarrow or vo. Muscle and endurance are optional...no prior experience is necessary. Owners of dinks currently on racks at the Club are especially invited for reasons which will be made known to you on that day.

Bob Butler.....268-5775....Fleet Captain
