## From The Helm

From The Helm

First and best things first, congratulations go out to Bob Wardman, piloting "Sandpiper" bringing the Bishop Cup back to Fayerweather yacht Club after 16 years, Congratulations Robert!. He was the only Fayerweather Boat that ran the race, Great Job!

Another thing that I have to say again, Members all have keys, please use it, if you have more than one set of keys, you can purchase one for each set of keys at the bar, you can also purchase one for your spouse. It is a burden on the bartenders when they are trying to serve other people. If this doesn't stop, we may have to arrange a fine for members who don't use their keys. Another thing that helps the bartenders and kitchen help is to have your money or chits ready when served.

Don't forget general meetings start on September 14th for the winter season.

See you next month.  
Bill Lynk, Commodore

P.S. All guests accompanied by a member must be signed in the guest register, once you leave the premises, your guest must leave with you. This is a state liquor law.

## From The Ward Room

I hope all of you enjoyed this summer which is nearly over. The bar and kitchen staff as well as I thank you for your patronage to the Club, your Club. I hope your visits to the Club along with your guests were enjoyable as well as memorable. It was a good summer that came quickly and departing just as fast, I hope not. So thanks again, as we look forward to fall, unfortunately. Till then see you at the Club.

Walt Dobosz  
Vice Commodore

## From the Rear Commodore

Hello everyone. The summer is going well and the weather has been hot. Just like summer. The Caribbean night was canceled because not enough tickets were sold. Please remember to buy tickets as early as possible so I can have enough time to prepare everything.

## Women's Auxiliary

I hope you're all enjoying the beautiful summer we're having. Soon the children will be back in school and we will be having our first meeting after the summer break. The date is Wed., Sept. 12th at 7:30. The Board will meet at 6:30. We have numerous items to discuss for the upcoming months, some of which could not be resolved due to the lack of members at the last two meetings. This is your auxiliary and you are the deciding factor as to what can be accomplished so please try to find time to join us for a couple of hours once a month.

I also want to take this time to thank the members who helped make the "Swim Across the Sound" Regatta the success that it was. I'm sure you all feel as gratified as I do to have participated in such a worthy cause.

Hope to see you all on Sept 12th.

### **SASSR – FINAL REPORT –**

*We did it! We broke \$5,000.00. Net proceeds given to the Swim Across the Sound from the Regatta amounted to \$5,528.46. A special congratulations must go to Jan Murray, Bill Link and all the habitues of the FYC watering hole for the purchase of the sailboats. Bill Selski did the design work and created the sailboats. A special thanks to Bill. Planning for the Regatta for 2002 is going to commence in mid September and any person who wants to participate on the Committee, in any way, is invited and encouraged to attend this one hour organizational meeting. We are going to set the date for next year's Regatta and discuss new ways to raise even more money. Thanks to all who contributed their time, money, efforts and food/beverage in making this a roaring success. I hope we can do more next year.*

Tom Lee

Congratulations to Robert Wardman for bringing the Bishop Cup to Fayerweather, for those that don't know this is a timed navigation competition. The captain estimates his time to travel a predetermined course at predetermined speed settings. The Captain that finishes closest to his estimated time brings the Cup back to his club...Sounds Easy? Well to make it interesting your engine can't vary more than 50 rpm during the run, and all you can use for navigation is your compass, (I don't know about the rest of you but I haven't looked at my compass since I got a GPS) and you get to take an observer to make sure everything is consistent. Combine this with wind, current, sea conditions ..... the caliber and experience of the rest of the competitors ...well you get the drift. This is no small accomplishment.

## Fleet Captain's Corner

Sorry to have to do this, but the remaining Middleground Races for this year will have to be cancelled. There have been too many problems of various nature that have interfered with many of our sailors participating. It is planned that for next year we will run only three Races to Middleground...in June, in September and perhaps one in October. We'll see how that works for us...

The cruise to Shelter Island was well attended with a total of eight boats. The schedule was an easy one, and there was only one major mishap...Jim Anderson had a serious engine failure and was forced to turn back when he had only reached Milford. The folks who went were: Paul and Jackie Bogacki in Mirage 1V; John Krotzer in Kman; Frank and Mary Ellen Thompson in Mary Ellen two; Irene and Eric Ferrigno with Jon and Jen in Ectasy; Dave Raskin in Slipstream; Wayne Ritchie and Hank Schmidt in Hustler; Chris and Pat Blossom with Travers and Ian in Arcadia; Bob and Jo Butler and Connie Hull in Whisper. Kudos go to our Dock Master Ron Simms who was able to get us the best ice we have seen at the club in years. It was delivered (one hundred clear blocks), the morning we left...good job Ron and many thanks. The Cruising Breakfast will be held some time in November...same deal as last year...The cost to be determined and the precise date will be in the October's Foghorn.

Because there has been some interest generated in the ORC Race to Port Jefferson, with a planned overnight and race back the next day, we will be talking to whomever would like to go...let me know if you are interested. This is generally around the second Tuesday and Wednesday in September.

Bob Butler Fleet Captain...ed 9-01

# FISHING COMMITTEE

Congratulations to "Team Brezosky" on "Nobody's Business" top boat for FYC in the Interclub Fishing Tournament with a total of 32.03 lbs. for three fish, ( Team Brezosky, placed 11th out of 226 boats signed up to fish !!!) Frank Stirna and crew on "Bankshot" 2nd with 27.39 # , Jim Hanrahan and crew on "Sea Dog" 3rd with 21.15#, Chris Bilyard and crew on "Reel Lucky" 4th with 20.52# and Bill Nyiri and crew on "Stolen Moments" 14.42# well guys we beat Harbor Valley! ^5. Only the top 5 boats counted at the weigh in so that's all I got listed. Many thanks to the rest of the guys that fished thanks for sharing in the FYC team effort.

We get a percentage of tickets to the Awards Dinner of the total number of people who fished in the tournament so to be fair to everyone that fished, the tickets will be on a first come first served basis. This is always a great meal and the guys from Stratford Boat who are running the Awards Dinner this year are doing a good job of organizing the Dinner. It will be as good if not better then previous years. Please get your tickets as soon as you hear they become available

Our Annual Bluefish Tournament is September 30th, this is a member guest tournament, we'll be cooking up the usual post tournament feast. This tournament decides who has the top bluefishing boat in FYC, at least on that day. Hope to see the whole Fayerweather fishing fleet involved.

This Tournament is also a scouting trip for the Four Club Tournament On Oct. 14th, that FYC is hosting this year, ( Pequonnock, Fayerweather, East End and Miamogue Yacht Clubs). This 4 club tournament has an award for the winning club, individual cash awards for the largest fish and the top boats plus, a great lunch is being planned!! Which BTW the committee is responsible for providing, so we need to discuss this.

We have had, again this year as in past years, a few unfortunate instances where improper procedures were used to weigh-in fish. The weigh in rules are to insure consistency and accuracy during weigh-in, not to cause problems. These rules have been developed through the past 90 years by various fishing chairmen and their committees as weigh-in and tournament issues came to light. If anyone has a issue with any of the rules they would like to discuss please attend the next committee meeting on September 7th (its always the first Friday of the month).

Frank Stirna, Fishing Chairman • w 254-3090, h 377-3842
