From The Helm

From The Helm

The fall season is here, you can tell by looking out at the harbor, getting empty! We had a good time at The Race Nite on October 13th and probably have a better time on Nov 3rd Race Night.

I want to congratulate Frank Stirna and the Fish Committee for the great job they did for the Four Club Bluefish Contest.

At this time I would like to offer the club condolences to the family of Chris Orgielewicz, who is missing in the world Trade Center Disaster.

Til next month,
Bill Lynk, Commodore

From The Ward Room

I'm pleased to inform all of you that the bar, kitchen, as well as the haberdashery have done well the last ten months. This was only possible by your support and your participation and your guests. So, continue to do so. Frank has added items to the Lunch Menu which is also available on Wednesday evening informal dinners. Thanks once again and hope to see you at the club.

Walt Dobosz
Vice Commodore

Racing News

The summer racing season has drawn to a close. Boats are being hauled in preparation for winter. But, frostbiting will start soon, providing opportunities for dinghy and Laser competition, which is fun to watch from the Penfield Room on Sundays.

Winner of the Second Single-Handed Race of the 2001 season was Dave Riordan aboard Quality Time, followed by Rob Stefan in Bru Ha Ha. Two boats withdrew, so there was no third place. Congratulations, Dave and Rob!

The Ken Johnson Memorial Race was postponed to next year due to weather conditions on both the scheduled date and the rain date. This race, held annually, is in memory of Ken Johnson, an avid J-30 and J-35 racer who also served on the Board of Governors and as President of the FYC Holding Corporation.

The FYC 2001 Sailing Awards Dinner is scheduled for Saturday, November 24th at FYC. Look for details on the enclosed notice. Club members interested in the sail racing program are invited to attend, along with participants and their guests. So, come out and support sailing at FYC – this is a program which helps make FYC a yacht club!

NOTES ON THE HARVEST DANCE

Surprise! its not just a great dance, here is the scoop. You bring your own snacks to this Dance, the club puts out a small spread but it goes quick.

For the fun part. Fresh fruits and vegetables are wrapped in mesh and suspended from the ceiling. All you have to do is reach up while your dancing and grab as much of the produce as you can get away with, that's right what I said was "get away with" 'cause, you see, the Commodore sets up his Jail, that's right his jail, and passes out badges to his "police" but they don't advertise who they are.....and the "police" keep passing the badges around to add to the confusion. If (when) you get caught grabbing the veggies you get to go to "jail" until someone bails you out. The bail is usually set by the Jailer. The Commodore's Police do pretty good until someone requests a dance song like Shout. Get your group together guests are more then welcome and get your tickets early for this one. All the proceeds from the Jail benefit the children's christmas party.

FISHING COMMITTEE

Our own Awards Dinner is scheduled for December 7th, we should be having D&D (all you can eat filet mignon, a good salad and potatoes and vegetables and my personal favorite ziti), a super raffle this year and some entertainment, this dinner is always a sell out! Get tickets for you and your guests as soon as they become available. Tickets are 30 dollars, (if D&D hasn't raised their prices) I'll try to get them to the bar by the first week in November. Please if you won an award PLEASE attend the banquet most of the people that win are longtime members, we'd love to see you all there, it does the spirit of old Fayerweather Yacht Club good. Our Tournament stays open until the day before the Dinner keep on fishing!

It looks at this point we will be holding the Interclub Bluefish Tournament Dinner at the Shriners Hall in Milford again this year, on January 25th. We get a percentage of tickets to the Awards Dinner of the total number of people who fished in the tournament so to be fair to everyone that fished, the tickets will be on a first come first served basis. This is always a great meal and the guys from Stratford Boat who are running the Awards Dinner this year are doing a good job of organizing the Dinner. It will be as good if not better than previous years. Please get your tickets as soon as you hear they become available

Very special thanks to Ed (the flukeman) Kasper, Ernie, Bob and Mark Brezosky, Dave Farrington Sr., Frank in the kitchen for his cooking guidance and perfectly cooked Ziti!, Our Commodore Bill Lynk for the weigh-in and Ed Wargo III, for getting a crew to get the food out while it was still hot. Its a pleasure to be associated with you guys, you all made a good tournament a great time! Everyone I talked to says to thank you all for a good meal and a good time!
