From The Helm

September was a great month! The Poker Run with 5 area yacht clubs participating was an ENORMOUS success – over 240 people played a hand! Polka dancing, oomp-pa-paing filled that air the night of the October Fest ... another FYC triumph. Hopefully, this will become an annual event. Sadly Wednesday night races have concluded which means not only is the boating season near the end, but Wednesday night dinners are over till next year. Frank and his crew filled the belly of many a hungry sailor on Wednesdays. Thanks, Frank.

Don't feel too bad though as the boating season isn't over till it's over. Glenn and his bar crew are keeping our summer spirits alive. Stop by for a drink or a chat. Sit on the deck and enjoy the October sun. It is a beautiful place to admire the new docks, or talk about the big fish that got away or upcoming events.

Women's Auxiliary

Our October meeting will be held on Wednesday the 9th at 7:30. The Board will meet at 6:30. We will be discussing our meeting schedule for the upcoming months. This topic was raised at our September meeting along with other issues but due to the lack of membership present the governing body decided to wait until our October meeting for a final decision. Please try to attend if you want to have a say in this or other matters. You can always bring any issues or ideas you have to the attention of any of the officers or leave a note in our Auxiliary mail box. We would like to hear from you.

We will be having a "Chinese Auction" after the meeting while we enjoy our social hour so bring your new or used (in good condition) items for this fun time.

Hope to see you all soon.

As ever, Ginny Lussier-President

FLEET CAPTAIN'S CORNER

We wish to thank those Captains who have been running the launch for us since the regular dock people went back to school. They are (in no particular order): Lonnie Kotowski, Jim Anderson, Dave Raskin, Bill Selski and Pete Knight. Through their efforts we have been able to maintain launch service to the satisfaction of all. We wish to mention the fine work Gerry Weiss has been doing building our new docks, a portion of which is already in place, with more coming each week. As to the club Whaler, please tie it up after use the exact same way you found it...that way the bottom of the engine does not impact the steel piling...be sure to lift the engine as well and to do this, the gear shift must be in FORWARD. Also, the trailers in the South Yard should carry the name of the owner...whether they are regular winter storers or not. Remember: the payment for the hoist is to be by check only...there are no exceptions. SHELTER ISLAND BREAKFAST....NOVEMBER 23...AT NINE AM. COST WILL BE THE SAME AS LAST YEAR...\$5.00 EACH PERSON. THIS YEAR FRANK WILL DO A BUFFET SO THE EGGS WILL BE SCRAMBLED AND NOT 'TO ORDER' AS LAST YEAR. Let me have your name and payment as soon as you decide you will join us. All are welcome...past years, last years, next year's participants...anyone who eats is invited, including guests.
