From The Helm

Summer is half over! It's hard to believe as it seems it just arrived.

The first sign of summer fleeting is the talk of the Bishop Race, the oldest predicted log race in the country. Denis on his river-gun-boat is already making room on the shelf for the cup. This is a fun time. Anyone with a boat (sail or power) that would like to participate, please contact me. This is a race against your own predicted time. How good are your boating skills. Test it!

As we look at the water front facilities, i.e., docks, benches, tender shack and the general appearance of the exterior of the Club, the Club is looking the best it has in years! We have to thank our dockmaster, Richard Blanchard! Richard spends countless hours "working the docks". The next time you are at the Club, stop and give Richard encouragement as this is one of the more difficult jobs at FYC.

The Board, Jim Hasak (our Vice Commodore), Dolores Powers (our Rear Commodore), the Dock Committee, the Fleet Captain, the Sailing Committee and Frank Stirna (without him there would be no Foghorn) are all working hard to keep Fayerweather running on a true and even course ... and they all deserve our confidence and support. We don't always hear the good things nor are the Committees always recognized for their time and hard work! Just a "thank you" can spur people on!

Dolores, our Rear Commodore, has some new ideas -- like music on the deck on weekends. Come and enjoy! There is not a better view on the Sound!

See you at the Club!

Vice Commodore

Well, July has come and gone along with a great Fireworks Display enjoyed by many, thanks to all who helped with the cooking, setting-up and the clean-up. Also a great turnout for the Swim's Sailing Regatta - how about those dock kids painting their tails off (terrific job guys).

Don't forget, come down and enjoy our Thursday Nite Dinners, Lobster is back and we also have delicious steaks Done on the Char-Broiler (ask your waitress for

REAR COMMODORE

HAPPY SUMMER ALL.

It's wonderful to see both new and old members enjoying the club, which looks great this year, both inside and out. Thank you to all our dedicated volunteers. Special thanks to Richard our Dock Master for a great job managing the dock and all the improvements to the grounds. The clam bake will be held Saturday, September 20, thank you in advance to

Ken Banks and his crew. Details will follow in the Sept. Foghorn. The CLAM BAKE promises to be the best outdoor summer event. The early purchase of tickets is advised, this event is a big sell out.

The return dockside on July 5, of JD and the Penfield Reefers, was great fun. Everyone both on the Bar Deck and the Patio enjoyed dancing to the music. COMING SOON. LIVE MUSIC, DOCKSIDE, EARLY EVENING, WEEKENDS.

ENJOY THE VIEW, AND COOL DRINKS FROM THE BAR.

Time and date available at the bar.

SEA YOU ON DECK, HAPPY BOATING,

FYC WOMEN'S AUXILIARY

I hope you're all enjoying the nice summer weather. A few of us met at the club and had fun making up ornaments for the November Fair. I ordered two more designs which should be received shortly. Call me (333-5388) and leave a phone number to reach you if you would like to help us make them so I can let you know when we will be getting together. The fair is only three months away so remember to make or collect your items for us to sell. We have received more donations which are greatly appreciated.

Keep in mind that our next meeting will be in September. Until then please keep our sick members in your thoughts and prayers and please inform Kay Kadar, Connie Gagnon or myself if you know of any member who is ill.

Also, remember that you can have the auxiliary logo put on any of the haberdashery items and there are still some flag pins left for sale. Have a safe and happy summer.

As Ever, Ginny Lussier - President

SWIM ACROSS THE SOUND REGATTA 2003

The Fourth Annual Swim across the Sound Regatta was held on Saturday, July 19, 2003. Thirty-six boats participated from Fayerweather, Black Rock and Cedar Point Yacht Clubs, as well as the Housatonic Boat Club. Several other unaffiliated boats also joined in. 29 boats raced, while 7 boats joined in the Fun Sail.

Joining in the Fun Sail from FYC were Ron Murray aboard Second Time Around, Bill and Debbie Selski aboard Seas the Day, Ray and Debi Callan aboard C'Est Fou, Chris Szepessy and Steve Wargo aboard Together and Sandye Mann aboard TBD. Most of the boats solved the puzzle, which were names of one-design sailboats. Congratulations!

In the Spinnaker Division Linc Schoenberger on One Up placed first, Eric Robbins and Halsey Bullen aboard Laser Beam placed second and Dave Riordan aboard Quality Time placed third. In Division 2 Non-Spinnaker, Tom Gill on Tenacious placed first and Laura Collins on Magic Hat placed second and Rick Orichio aboard Rocket Science third. In Division Three Non-Spinnaker, Pete Knight aboard Salute took first place; Jill Nichols took second on Mystic and Ollie Bartine's Silver Heels skippered by Bob Kranyik placed third. A deserving well-done to all participants for the competition in fluky winds, but gorgeous weather.

Special thanks to the Picnic Crew Paul and Pat Cipolla, Sherry Goldsmith, Gerry Weiss, Stephen Wargo, Susan Wargo, Bob Polson, Ed Wargo III, Chef Frank Cerminara for his special Potato Salad, Julio, Walt Dobosz, Jim Hassak, Rae Paup, Judy and Stacy Desmond, Linda Ball, Lynn Kane, Nancy and Shannon Lee, Ginny Lussier and the Bakers from the Auxiliary, and Jim Anderson. Special thanks to Commodore Dennis Rickard for the Tent. An outstanding job was done by the entire dock crew and in particular, Jackie, Becky, Chase and Austin.

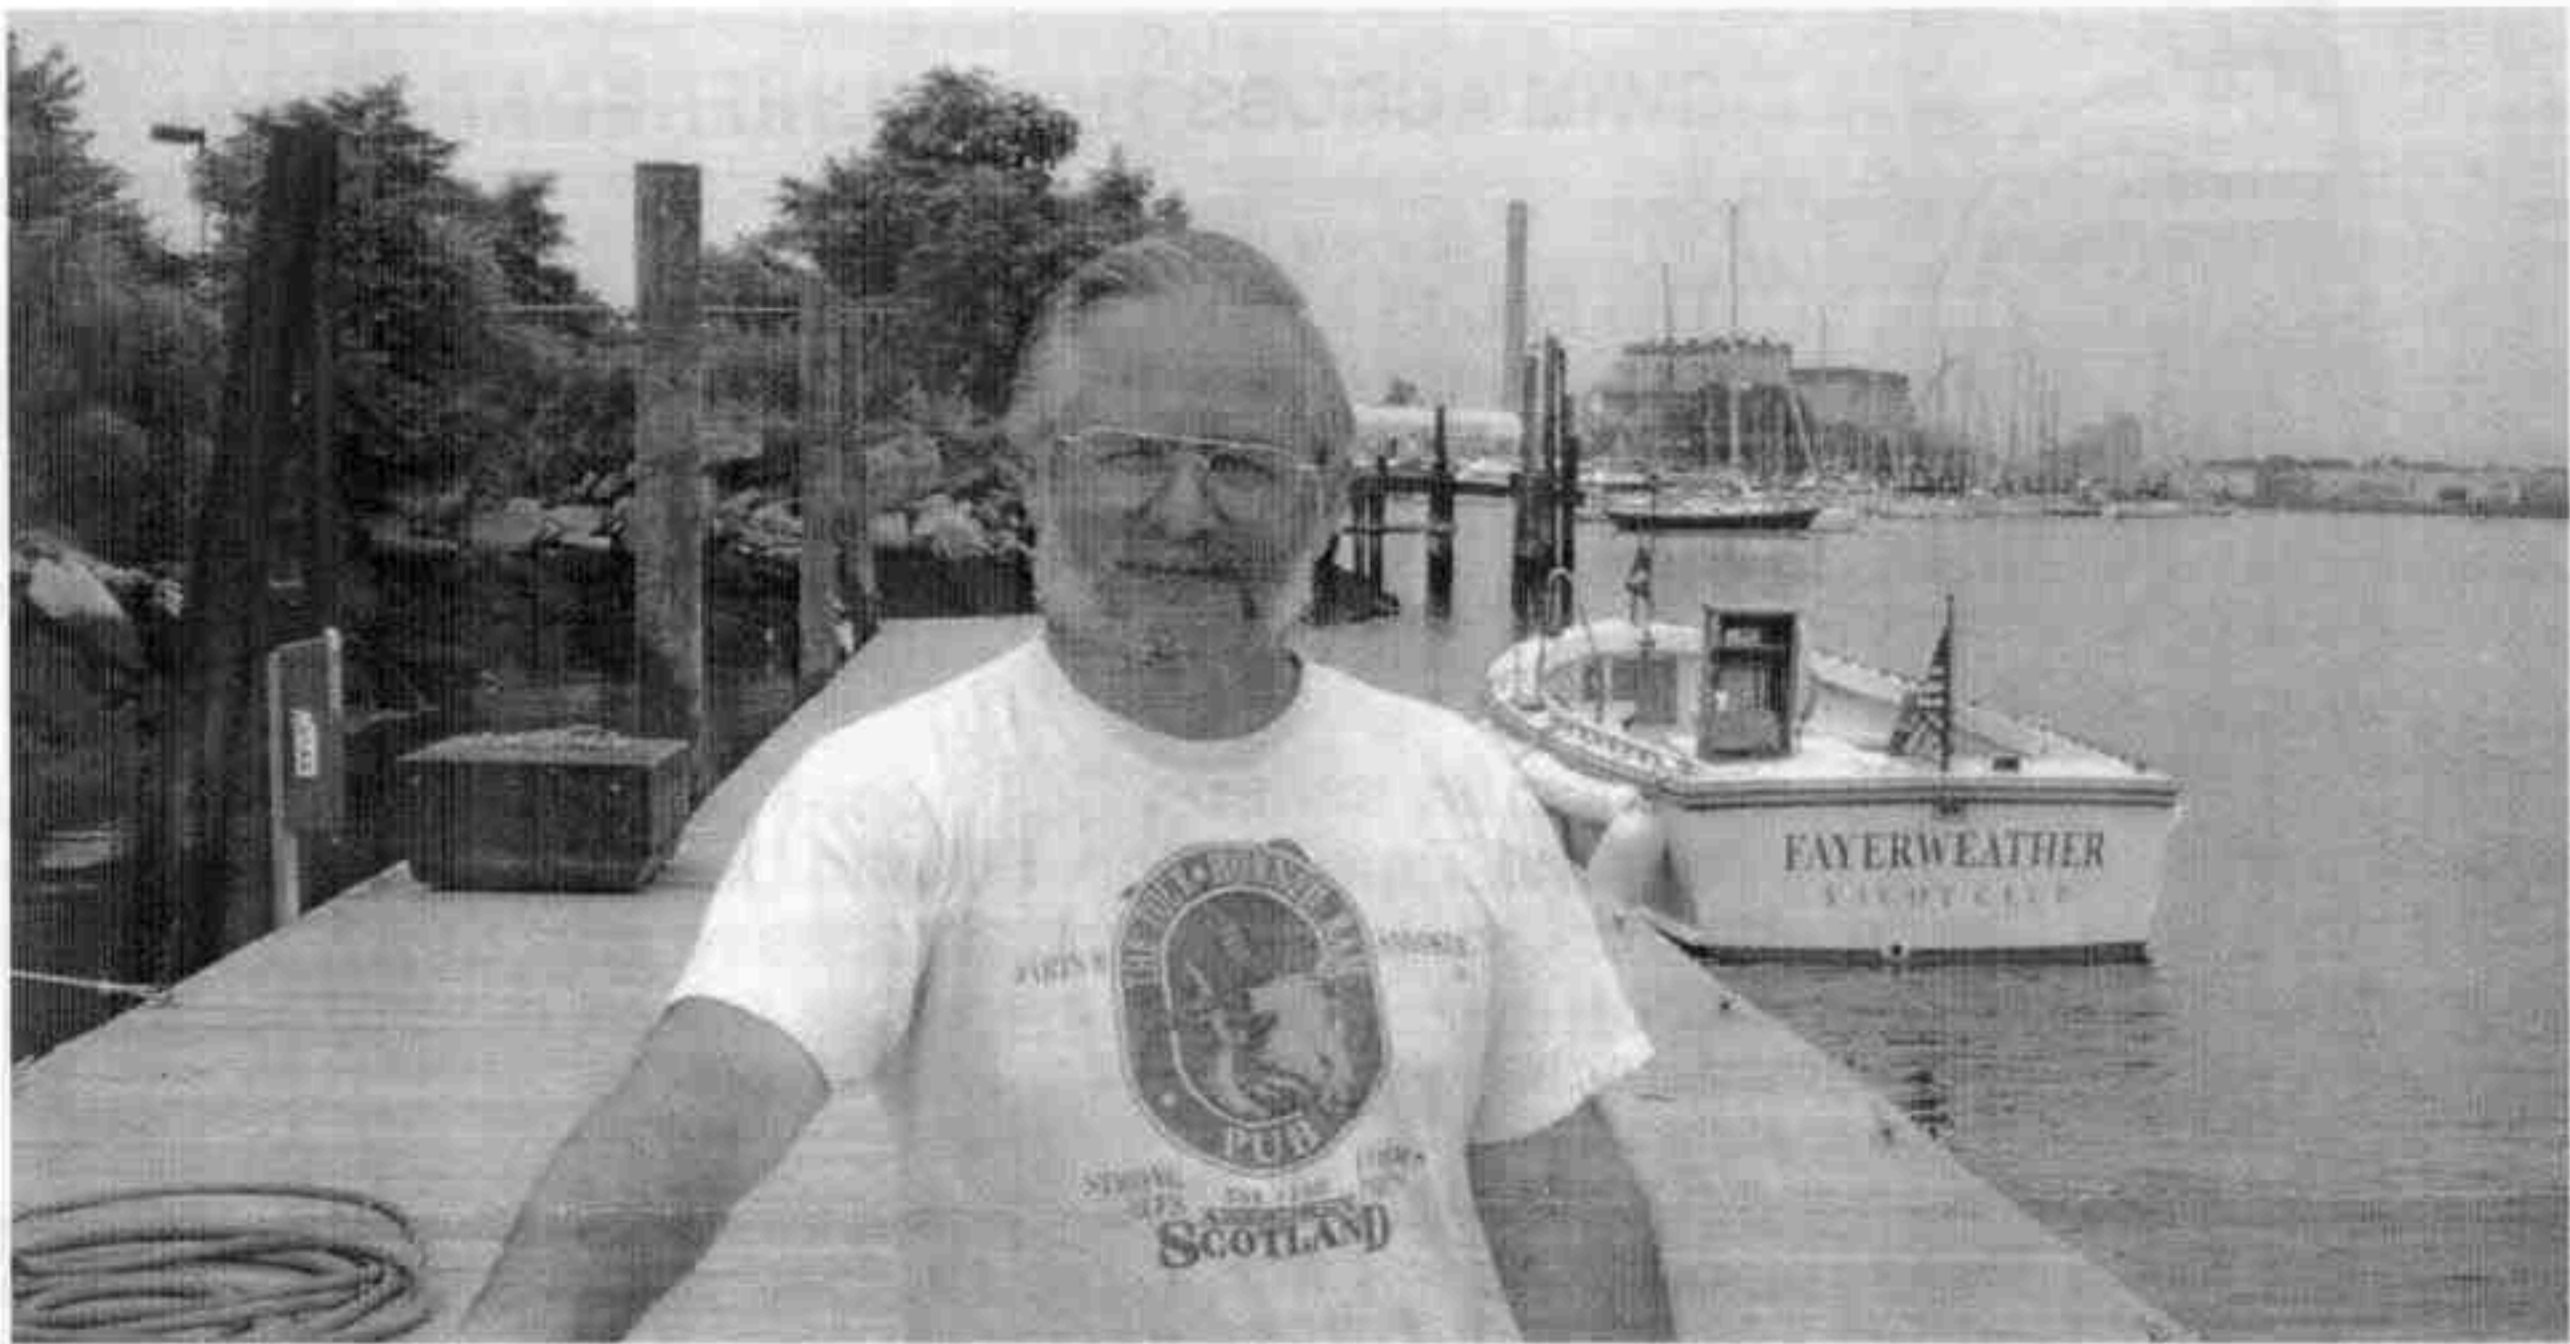

Jay Jost and his crew did a super job of running the Fun Sail and Earl DeWitt and his crew performed as a truly professional Race Committee. A special thanks to Dennis Ambruso for the use of his PBR as the chase boat. Also thanks to John Lee for rising to the occasion on 48 hours notice to be the Regatta photographer. Thanks Bill Lynk for encouraging so many of the sales of the sailboats in the bar. Thanks to all the FYC members for buying Raffle tickets, hats, t-shirts and sailboats.

The Raffle prizes and winners were- Blossom print - Tom Dittrich, Ledoux print - Dr. Kristine DeMarco, and the Schreck pencil sketch- Bob Lee. The Committee thanks the talented artists for their great contributions and The Greenwich Workshop for matting and framing the artwork.

Special recognition must be extended to Frank Stirna for all the printing he did gratis.

So far the Regatta has netted over \$10,500.00 for the Mammography Screening program at St. Vincent's. The books won't close until Labor Day. Hats and t-shirts will be on sale in the Haberdashery. Christmas is coming!!

Meet the FYC dock master

Here's Rich Blanchard, the motivator behind all the good things happening on the FYC docks this summer. Whether it's ordering gas and oil, scheduling the dock crew, dreaming up all the little projects to be done, or installing fire extinguishers on the dock, Rich is the one to get things done. It's his first summer as FYC dock master but it didn't take him long to get geared up and underway. Thanks to Rich and his dock crew, things have never looked better on the FYC waterfront.

Meet the FYC dock crew

L to R: Rebecca (Becky) Main, John Voychick, Jaqueline (Jackie) Rolleri and Chase Dubis. Here is the dock crew for the summer at FYC. Always ready to lend a hand to boats coming to and leaving the FYC dock. In addition, you have probably seen them running the launch, manning gas pumps, selling ice, moving boats around, collecting dockage fees, scraping and painting, emptying waste containers, and generally upgrading the appearance of the waterfront area of FYC. It wouldn't be summer without them!!

FLEET CAPTAINS CORNER

Some items of note since last month:

Our hoist is now back in operation, thanks in no small part to Terry Roach who measured, ordered and installed the new motor and its attendant bracket necessary to complete the entire system. Through his endeavors in selecting and picking up this rather heavy piece of machinery and its application to our existing steelwork, the hoist is now much better than we had before it malfunctioned.

Launch and whaler continue to operate well and thru the efforts of our Dock Master, the cosmetics of the dock reflect his fine hand and involvement.

Our cruise to Block Island was highly successful with fair winds and good weather. These boats and people participated: Eric and Irene Ferrigno, with Jennifer and Jonathan plus special guest Tony Ferrigno aboard Ectasy. Carl Lisle and Jennifer on Liberte...Paul and Jackie Bogacki sailed their Catalina 36 on what was for them a major trial run with only minor mishaps...Pat and Bob Brennan finally were able to get past North Cove and made it all the way to Block...Jo and I along with Connie Hull made up the fifth boat.

The annual Shelter Island Cruise leaves August 9 at 0900. The ports of call will be: North Cove at Connecticut River...Coecles Harbor...Three Mile Harbor...Sag Harbor and West Harbor on Tuesday...Dering Harbor...Thimble Islands or Clinton and then home on Saturday. This itinerary is of course subject to whim of weather and crews' wishes.

Two additional items of note...a pair of sunglasses has been turned over to me. After proper description I shall be happy to return them to the owner. Additionally, some time ago I was also given a drill which has been sitting in my locker, hidden behind some other gear. It was only as I was loading the boat for the Block Island trip that I uncovered it. Would the owner please call and identify this so that return can be made.

Fleet Captain....Bob Butler
