From The Helm

As I predicted the Commodore's Dance was huge success, enjoyed by all who attended.

This past month proved to be a busy one. Beside the Commodores Dance there was also the St. Patty's Day Dance, and Dave Farrington and Crew had their Fish Fry. Your evolvment at these events is what will keep them and others going; not to mention it is not difficult to have a good time when you are amongst friends.

I've been making a point of staying in touch with the Committees and listening in when I'm available. Also the new pump-out station is in the works along with the completion of the shore power which I hope all will be completed at the latest, by Good Friday.

At the last General Meeting we (The Membership) elected Gail Smith to the Financial Secretary position, congratulations Gail, also last month I had the honor of installing the new officers to the Auxiliary, Congratulations to: Charlene Farley - President, Danielle Lynk-Vice President, Sue Swanson-Recording Secretary, Judy Duva-Financial Secretary, Kay Kadar-Treasurer and the Board Members, Past President -Ginny Lussier, Past President Ann Farrington, Betsy Dalling, Georgette Geotsi , and Maryann Callahan.

Well its only about a week away, of course I'm talking about Good Friday a day for us to Clean, paint, repair and/or rebuild areas of OUR CLUB. Yes there's some elbow grease involved but you'll be rewarded with lunch and beer, so come down grab a brush, rag or hammer and help your club look its best for Opening Day. Anyone who can help organize please come forward, I can use your help.

Remember the bar will open at 5 p.m. on Good Friday.

Finally I would like to Congratulate all the newly elected members, and hope that you'll come down and enjoy all the F.Y.C. has to offer you. Also just a friendly reminder to familiarize yourselves with our House Rules and By Laws, they do mean and stand for something - Camaraderie.

Jim Hasak, Commodore

From the Vice Commodore

We're still looking for volunteers to assist with the serving of the snacks at Fridays' Happy Hour. The club provides the prepared food so all that is needed is someone to make sure it gets cooked and brought into the bar between 4:00 and 7:00 p.m. And again, thank you to Russ Dunleavy for the excellent barbequed ribs he shared with one and all.

Many thanks to Charlie & Laurie Cecilio for the time and effort they put in to making March a special sales month for haberdashery items. On opening day, May 29, there will be a number of new FYC items for sale, so be sure to stop by the haberdashery table.

ATTENTION ATTENTION SAILING MEETING

April 24 @ FYC 9:30 AM

Bring your ideas we want to hear from you!

Objectives:

Review racing schedule.

What changes would you like to see?

Should we adjust ratings?

Should we charge for Wednesday nights

and give out trophies?

Review recent developments.

Starting times for Sunday's Races?

Food available after Sunday's race?

Port Jefferson weekend.

LETS GET TOGETHER AND MAKE THIS A BANNER YEAR !!!

Sailing Committee,

Chuck LeMieux

FLEET CAPTAIN'S CORNER

We had the Block Island and Shelter Island breakfast on Saturday March 13...all went very well and forty-one people attended. Not too bad for a mid-winter get-together. As you look toward Stratford Point you can just get a glimpse of Spring coming around the corner. (So sayeth the old salt Vinnie Sproul).

After we get through Good Friday and Opening Day, we will begin the Tuesday morning races...same as last year: all are invited, no rules to speak of and certainly no charge. Ten o'clock start is the best time and there will be no change in this regard.

Bob Kranyik chair of the Dock Committee, will establish some additional ground rules, not the least of which will involve the white whaler. Because not all of us who use this whaler are aware of all the details necessary in its operation, there will be rules posted and instructions given to ensure no further damage is done.

Other authors will remind you of the need for people and tools to do what is necessary on Good Friday. We start at 0800 and coffee and lunch are 'on the Club'. Perhaps this year we can have the coffee ready at eight-thirty or so, to generate the drive needed to accomplish our tasks. (Vice Commodore is this possible?)

Jim Anderson will begin soon to put moorings in, so please look yours over...give Jim a call when the mooring is ready and when his schedule permits, yours will go on his list.

FLEET CAPTAIN...BOB BUTLER

Fishing Committee

Fish Fry was a huge success. We served about 225 people. We tried calling tables so people wouldn't have to stand in long lines, but it didn't work too well. Next time we'll go back to the lines.

Fish buttons are on sale. Remember they must be purchased 72 hours in advance of fishing. They are \$10.00 each.

Don't forget the new rules especially on Stripers. It goes by minimum length.

Congratulations to Howard Bishop who won the 50-50 raffle.

Hope to see the committee members at the next meeting April 2.
