## From The Helm

September is here and that means "Lobster Bake" September 10th, this is short notice so don't be the last to get your tickets at the bar.

FYC had another great showing at the Bishop Cup race taking 2nd, 3rd and 4th place. Great job Captains.

September 29th is the day FYC and Four other clubs will be racing the 12m America's Cup boats, this should be an exciting day for all. Also, remember the General Meetings start up again.

See you there,  
Jim

## From the Vice Commodore

Due to unforeseen circumstances there have been changes in the Thursday Night Dinner menus. Please check FYC's web site for the new menus and also the posted menus at the club. The kitchen will still be serving lunches and weekend breakfasts.

Your patience during this transition is very much appreciated by our kitchen staff.

Mark D'arcy

## SAILING NEWS

Over the next few weeks you will probably hear a lot of talk about the upcoming 12 Meter Regatta that is coming up September 29th. Black Rock, Cedar Point, Pequot and Stamford Yacht Clubs will be the clubs we are challenging for a perpetual cup that the winning club will have for a year.

We are also having a pre-race event that will be held at Captain's Cove on September 28th. All the 12 meter Americas Cup boats will be arriving during the day.

The Award Ceremony will be held at Black Rock Yacht Club.

This is a charitable fund raiser for the March of Dimes, so contributions are welcome.

## **AUXILIARY MEMBERS:**

Hi to all! Hope everyone enjoyed their summer! Our September 14th meeting will be at 7:00pm for the Board Members and members it will start at 7:30. (Please note the new time) I hope we will have a good turn out this year for volunteers for what ever we plan on doing!

To all new members of the Auxiliary, please come down and join us for our September meeting and get involved. We need all the new suggestions anyone can come up with, and it is a plus because you get to know the members of the Auxiliary and we would like to get to know you also. So please come down and join us.

Till the meeting! Sincerely: Charlene Farley-President 345-1566

## **FLEET CAPTAIN'S CORNER**

Shelter Island Cruise is our major topic this month. Although necessarily abbreviated, it was enjoyed by several boats, to wit: Eric and Irene Ferrigno with granpa Tony and daughter Jennifer; John Krotzer and Peggy; Glenn Smith and Robin; Paul and Jackie Bogacki; Ken Micklus and his nephew Bob; Wayne Ritchie with Jack Szepezzy; Leah and Steve Cherry and Jo Butler and me. Other boats left on alternate days such as Jerry Hricik with Susan and Dave McCue with his standard crew. Although they did not meet us in Oyster Bay, they were "Out there" at it were.

The Southern Door Project is complete...the electric hoist works well and the entire arrangement certainly does make the ups and downs of the masts much more easily done.

Cabaret Night which was originally thought to be scheduled for September 10th will now be held on October eight...please mark your calenders...Martha Dixon advises the routine will be the same as last year: Ten dollars per person, dancing from eight til eleven...each person brings his/her own things to eat or drink. Reservations are recommended and tickets will be available at the bar. On a personal note, I will be playing as last year and to play at our club is a very exciting thing for me. The Wayne Hiller Octet will perform I will also post a listing of all the tunes we do. That way if you have a certain tune you would like to request, let me know. If it's on the list, we could do it for you.

**MIDDLEGROUND RACE:** There are a few interested captains who would have this re-insti-tuted. We have five boats thus far indicated as 'wouldgo.' If you would like to join us, please call me and I'll put you down as a positive. Saturday September 10th is the date...ten is the time. We start at the mouth of our harbor, near 2A...we go around R2 at Middleground (going around the house is not required). We then return to end between 2A and red 4. Simplicity is the key . We have no rules and there is no charge.

Kudos to a couple of our members who have done good things for us before and should be mentioned again at this time: The reason our lawn and surrounding grass areas look so good is because Glenn Smith and his crew have been tending to them. This was not only this year, but in years past as well. Additionally, our pressure washer which had been 'off line' so to speak for some weeks, is now operating once again. This is due to the intervention of Jim Morley who worked on the gas tank and related parts. It was full of rust and other debris but is now clean and very functional. We'd like to thank them both Please keep up the good work you guys...at least in this small way our Club continues to operate nicely and the volunteer program is not entirely dead....Bob Butler
