From The Helm

September turned out to be an eventful month at Fayerweather Yacht Club. Starting with the Lobster Bake on the 10th, which was run by Gary Swanson and his experienced Staff. Next up was the fish fry on the 16th, another great job Dave and Crew. Finally the Poker Run on the 24th, there were boats rafted up three and four deep, a great month for Fayerweather Yacht Club and members. With October arriving that means race night as well as Cabaret Night. Come down and enjoy what Fayerweather Yacht Club has to offer see you there. Jim

From the Vice Commodore

What great summer weekends we've enjoyed this year with only a few more to go before the boating season comes to an end. Just because your boat is not in the water doesn't mean you can't come to FYC just to relax with your friends and also make some new ones. We have new members that would enjoy meeting you. Don't forget the Thursday night dinners are still taking place. Check the FYC web site and the postings at the Club for each week's menu.

We are looking for someone to replace Charlie Cecilo, who moved to North Carolina earlier this month, to take over the Haberdashery Department. Please see me if you are interested. Thank you Charlie, we'll miss you and Laurie.

A very special thank you to Julio, and crew, in the kitchen for stepping up and making sure the kitchen stays open. And thank you to Dan Conroy for handling the Poker Run

FLEET CAPTAIN'S CORNER

MIDDLEGROUND RACE: We had a proper turnout of thirteen boats but with an uncooperative wind, not all boats were able to complete the course. As they say, 'better luck next year' and there most certainly will be another such race next year.

LAUNCH SCHEDULE: Somewhat abbreviated at this point although Jim Anderson and other stalwarts have been doing their best to fill the hours most members would use the launch. We thank them and the Dock Master for their efforts.

MOORINGS: Will shortly begin to come out and again we remind all to clean the tall-boy properly so that the cum barnacles and mussels will not drag it down to a point below which Jim Anderson will not be able to raise it.

FROSTBITE WHALER: This is about complete with a rebuilt nose and paint job...in short order, it should be ready for the winter.

CABARET NIGHT: This will be on October eight and dancing will run from eight to eleven...bring your munchies and enjoy a perfect evening of the older tunes known to all. This music is for dancing or merely listening and will appeal to all age groups. We will have a posting of all the tunes we do...pick out what you would like to hear...if it's on the list, we can do it. If it ain't, we cain't! Tickets are at the bar at ten dollars per. For any question call Martha Dixon or me.
