## From the Rear Commodore

Happy Summer to Everyone,

I need to thank a few people for the huge success of the deck party. Mike Andre for arranging the awesome music. Tom, Jim, Anne, and Tim for their barbeque talents. I need to give a big thanks to Danny, our fabulous bartender, for keeping the hoards of people served throughout the evening. It was an advertised event and it was good to see that people are supporting the club. We now have outside speakers on the deck, so come on down and enjoy some music with the view! The new jukebox is a big hit as well as a big moneymaker for the bar. If you would like specific CD's please give your requests to the bartender.

The next event will be the Pig Roast, July 23 at 4PM. Hat City Blues will begin at 6PM (outside).

I will start with basic BBQ and then serve the main course around 6...Come watch the pigs on the spit and enjoy the meal.

The tickets will be on sale at the bar..\$20 for adults,\$10 for 12 and under, under 5 free.

I will put up a signup sheet for volunteers..please lend a hand.

See ya at the Club,  
Martha Dixon

## THE HENRY A. BISHOP PREDICTED LOG RACE AUGUST 20, 2005

The oldest predicted log race on Long Island Sound will be held August 20, 2005. The Bishop Cup Race is sponsored by five of Bridgeport yacht clubs. Boats 19 feet and over, sail or power, are invited to race.

For those of you who are not familiar, before Loran and GPS, Henry A. Bishop started this race as a teaching tool to improve navigational skills ... basically to aid captains in getting to know their boats intimately. This is a race against your own time. You predict the time between the legs of the race taking into consideration wind, time, tide and speed. Remember the hare and the tortoise? The fastest boat is not necessarily the winner. Basically, the captain who comes the closest to his/her predicted time, WINS. I will be available to help time boats for accurate speed and guide you with the calculations for predicting time.

The race is being held on Saturday so we can make a full day of it!

Let's beat last year's number of entries. We had 10 boats sign up, seven ended up racing with Captain Bob Wardman missing first place by SECONDS.

Sign up! It's not only a great day on the Sound, but you will meet terrific boaters from the local clubs, and just maybe, bring the Bishop Cup back to FYC

Any questions, give me a call! Denis Rickard • 203 858 7674
