From The Helm

With the year coming to an end and the elections around the corner, I would like to say it has been an honor to serve two years as Commodore of one of the most unique clubs on long island sound and to work with some of the greatest people in the club. As I think back there has been stepping stones but the path became less tangled and smoother as time went on. Over the past two years some decisions were made with the best interest of the club in mind, no rash decisions were made and I think because of that OUR club is one of the finest on the sound. With that said I thank all the members that have supported me over the years and I thank Fayerweather Yacht Club for being the club that she is. Finally, I urge the membership to come and vote on January 13, 2006, the nominated committee worked very hard and have picked their nominees that they feel would best serve our club for the coming year.

Thank you all,
Jim Hasak
(Future P.C.)

From the Vice Commodore

Another year has ended. Even though there were more than enough problems to contend with (most of them behind the scenes) it was still an enjoyable run. Thank you to the Bar Committee: George Nemeth, Stan

From the Rear Commodore

Happy New Year to everyone. I need to thank Capt. Tim Casey for bringing Santa, AKA Johnny G and all my elves by boat to the kids Christmas party. Santa did an outstanding job! The kids had a ball. Next up is the New Year's Eve party. Tickets are at the bar, \$65 full dinner and open bar. Just a quick reminder to bring in books to replenish the club library. The members are enjoying this perk. Since I'm not sure if I will have this job next year, that will be all for now. See you at the Club!
Martha

From the Vice Commodore

Glowacki, Lou Fabian, Jim Bruno, Frank Pierwola, and Fran Pierwola. Getting up early on a Sunday morning isn't always easy so I really appreciate your help.

Also, many thanks to Russ Dunleavy and John Arnet who gave of their time and energy to help out in the kitchen on Thursday nights during the transition. And a very special thank you to Julio Rodriguez and Suzanne Darcy who stepped up and kept the kitchen in operation when we were without a chef.

Wishing you all a happy and healthy 2006!
Mark Darcy

AUXILIARY MEMBERS:

First I would like to thank all the officers and our new chefs for the wonderful dinner that was served to us on December 14, 2005. The meal was GREAT!!!. I hope all the members of the Auxiliary enjoyed their meal. We all from the Auxiliary would also like to thank the club for paying for our meals.

Congratulations to all of our winners on Wassail night who where Ken Kertesz the liquor basket, Tim Casey the wine basket, Gary Swanson the wine basket, and Gary Pole won the Holiday basket and The millers won the holiday basket I hope you all enjoy them.

We hope to see the new blinds put up soon. They have been ordered just waiting to hear when they will be installed.

Please come to our next meeting which will be on Wednesday, January 11, 2006. I hope to see more people attending. I would like to have a theme after every meeting so if anyone has some good suggestions please come to the meetings.

Last but not least I would like to wish everyone a Happy and a Health New Year!!!!!!

Sincerely,
Charlene Farley-President

Fish Committee Report

The next meeting is Jan 6th at 7:30 P.M.. This is pizza nite & to elect a new chairmen. Hope to see you there.

The Fishing Awards Dinner went very well with 77 people attending, even tho a few protested because we didn' t have beer & entertainment. We couldn't have D & D because only 62 signed up by Wed & the caterer wanted 75 - 80. As it turned out 15 more came in on Thursday which was to late. Thanks to the catering of 2 the 9's (our new chefs) they came thru at the last minute for us. They did the same as D & D, except they did baked Ziti. Darren & Todd went all out & did a fabulous Job. They even put out appetizers on their own. I had numerous people thank us & even called on Sat & Sun. saying they had a great time and how good the food was. We can highly recommend to the members to go down on Thursday nite dinners, you won't be disappointed. They are the best chefs we've had in years.

This being our last newsletter, John & I want to thank all the committee members who supported & worked with us thru the year on our Fish Fries, Hunky Turkey nite, Tournaments & Raffles. Without you, there wouldn't be any. Thanks again.

Bishop Cup Report January 2006

The boating season is not far away as the winter months are the planning months for next year's race. Fayerweather showed the other Clubs this past year ... we placed second, third and fourth! This was a terrific showing! Fayerweather's first boat, Volarie, Captained by Gary and Sue Swanson, was the second time Gary had ever run. Gary had one leg with zero error ... meaning he predicted the number of minutes it would take him for that particular leg. Timing the boat was Friday, yet he still not only had a zero leg on Sunday, but was only seconds off on the other two legs.

Fayerweather's second boat, Captained by Eddie Abenschien, was only seconds behind Gary. And, this was Eddie's first time running the Bishop Cup.

Captain John Fiedler with his sailboat and his infamous crew started at 0700 hours making this a very long, all-day race. Very few sail boaters enter this race so our hats off to Captain and Crew for coming in third for Fayerweather.

Our fourth boat was captained by the courageous Bill Gilhuly as the 19 footer took quite a beating as the sea began to build! Captain Bill stuck to the helm and said he would return next year a winner!

FYC's Bishop Cup Committee was honored by having as members like Bob Bovin, Commander of the Penfield Power Squadron, and FYC member and Power Squadron Member Gavin MacNamara.

All in all, our Club's participating in this race made for a very eventful day ... especially seeing Fayerweather crews sweep the prize table.

I would like to thank all the members of FYC, Team Racers and Committee Members for supporting the oldest predicted log race in the country. I am looking forward to a great participation next year. Starting in January, we will be looking for Committee Members, as well as, new participants. With Power Squadron Member on board, we can help and/or answer questions of anyone wanting to participate.
