From the Helm

The 2009 Commodore's Dinner Dance was a great success due to the hard work of some Fayerweather members. In last month's *Foghorn* I did not get a chance to thank everyone involved. **Dee Powers** worked for hours setting up on her own before others arrived. **Jim Eagan, Tamra Evans, Steve Commandatore** and **JoAnn Manes** assisted and made contribution of delicious hors d'oeuvres. **Jim and Betsy Sorenson** helped me with setting up. **Auxiliary President Sandra-Ann Nolfo** and Auxiliary members supplied trays of antipasto. **Gary and Susan Swanson** provided the delicious shrimp. **Lynn Sullivan** made the beautiful boutonnières. Thanks also to the members in attendance—you added to the fun!

Don't forget **April 10th** is Good Friday and our **annual cleanup**. We will begin our chores at **8 a.m.** To those new members, Fayerweather sets aside Good Friday every year to spruce up the Club for the upcoming boating season. Members volunteer to clean, paint or take on other assignments, as necessary. We do break for lunch - on the Club! Join us for a lively and productive day. We all benefit from the beautification of our site on the Sound.

I am writing this on the eve of the vernal equinox. We have gained an hour of daylight from daylight savings time, which only means we are that much closer to boating season. This year I hope to set aside occasional Sunday sails for non-boat owners. On those days,

members can hitch a ride on others' boats so that they may experience the joys of being on the water. Be on the lookout; we will be posting the designated days on the water in a future *Foghorn*.

Signing off! Now that we entered spring, summer is just around the corner and I need to get back to work. Good luck with all your spring projects and activities!

From the Vice Commodore

Can you feel it? I sure can. Spring is here and summer is right around the corner. Although we had a fantastic winter of events and comradeship, nothing is like the buzz of FYC during the spring and summer. We will continue our progress on the **Friday Happy Hours**. So far, **Rear Commodore Jim Sorensen** and I have been putting on quite the show, food and music wise. Although we would love to take all the credit, there are a few (I hope I get them all) great members who have stepped up and gave us a hand on a regular basis. Our pints are raised to: **Commodore Ed "Always ready" Manes**, **Christian "May I have a taste?" McNeil**, **Kenny "The Shucker" Newlands**, **Donna DeMattia**, **Denny "Roll-ups" Donahue**, **BOG Member Jim Eagan**, **BOG Member Eric Wuerfele**, and of course my buddy, **Russell "10 Calorie" Dunleavy**. There have been many other members who have lent a hand or who have brought a dish, for this, **THANKS**. Want your name here? Come on down and lend a hand!

Now, this is the point where I need your help on a few things. A couple of them will be "house cleaning" and a few will be me asking for your help. First, our Officers and your fellow members are getting tired of cleaning up after those who have neglected to clean up their Penfield Room table after lunch/dinner or have left a glass or two behind in the bar. I know sometimes that you just miss it. Just ask yourself right before you leave two things: 1) Where are my keys? 2) Where is that bottle/glass I just had? Not hard right? Thanks. Second, since our Happy Hours are going so well, we are running out of room in our refrigeration storage behind the bar. If someone has a refrigerator lying around in their basement or garage, we would love a donation so that we can stock items instead of having to go out every week. We have the crew to pick it up, just email me or call the bar.

Since I mentioned the bocce court and horseshoe pit in my last article, many, many members have shown interest. I will be talking with the BOG to see where this might be possible. I am quite excited to see if we can make this happen so that we can get a league going to help boost our slower evenings. If you have a thought or can lend a hand, contact me please.

OK, enough begging. Enjoy April! Get out on the water! Use the Club!

George E. O'Connell-Vice Commodore

From the Rear Commodore

Spring is here! To start it off we have some great events for April. On **April 4th** we are having "**Sinatra Night**" with the band and music of **Steve Dagostino**. Tickets are only \$15.00/ head and include a spaghetti and meatball dinner. **Dinner** will start at **6:30 p.m.** and the **music** will commence at **7:30 p.m.** If you haven't gotten your tickets yet, don't delay, because this will probably be a sell out. Steve has played in Vegas, as well as Mohegan Sun and Foxwood's casinos.

St. Patrick's Dinner dance went extremely well. All who attended had a great time and a great Corned Beef dinner. St. Patrick's Day at the Club also went well. How can you beat a corned beef sandwich and soup for \$2.00? Thanks to **Donna** and **Russell** for cooking and our **Commodore Ed Manes** for making and selling the sandwiches.

On **April 11th**, the day before Easter, we will be having our annual **Children's Easter Party** starting at 12 noon. The magic show will start at 12:30 and the Egg hunt at about 2 p.m. **The Easter Bunny** will arrive again by boat after the Magic Show. Tickets are \$10.00 per child. Please sign up at the bar.

Friday night Happy Hours have never been better thanks to our **Vice Commodore George O'Connell** and our volunteers. If you haven't been down, you are missing out on some great food and fun. I will continue to have guitarists provide entertainment on most Friday's. Hope to see you all real soon.

Fishing Committee

The Fishing Committee would like to thank all those who volunteered their time to help make the 2009 **Spring Fish Fry** a **HUGE** success!! We had over 156 satisfied customers on Friday, March 20th. A special "**thanks**" goes out to:

Jim Anderson and Crew

Roy Edwards
Dave Farrington
Wally Kimball
Dave Shackett

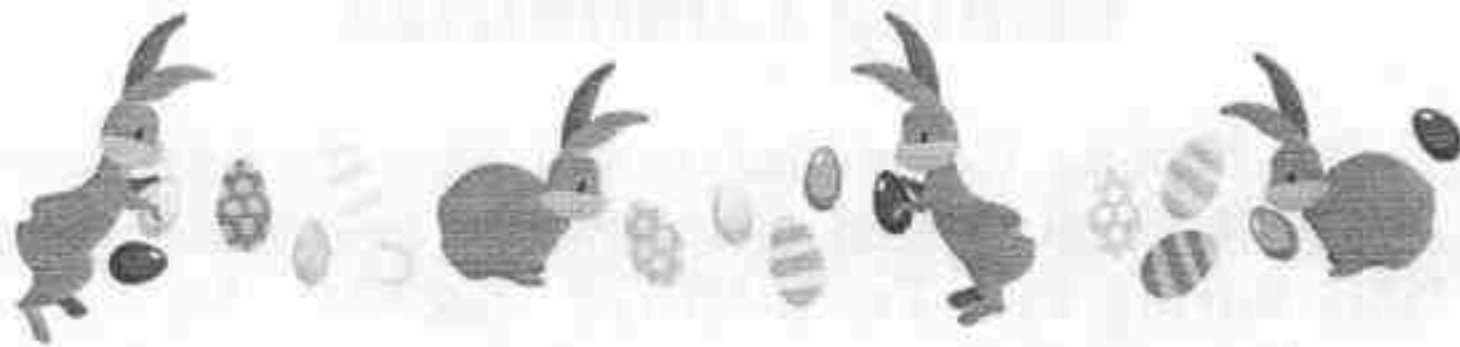

John Ellis
Mike Herrington
George Palmgren
Stephanie Stypinski

Congratulations to **John Ellis** for winning the 50/50 raffle. Nice job John, the next round is on you!! After Friday evening's festivities, there are still 50 tickets left for the Fishing committee's annual raffle, where for a five dollar donation, you get a chance to win a **Pen International Rod** and **Abu Garcia Reel** worth over 250 dollars!! Tickets for the annual raffle will also be for sale at the bar.

With the long winter now officially behind us, this year's **Annual Fishing Contest** is right around the corner. The 2009 contest *starts April 1st* and, for a ten dollar donation, you are eligible to win prizes for the top three fish weighed in for Flounder, Fluke, Black Fish, Porgy, Striped Bass, and Bluefish. Auxiliary Spring Event

A big thank you to our March meeting hostesses--**Sue Callahan, Judy Duva** and **Ann Farrington**--who made the most delicious desserts. The table was decorated with a St. Patrick's Day theme and some of the desserts even had green frosting! Kudos to the hostesses for their creativity.

We would also like to thank our speaker at our March meeting: **Barbara Nadolny, RN, CDE**. Her power point presentation about Diabetes awareness was very informative. Barbara surprised us with a little quiz to help us identify our personal risk factors. We were all asked to write a lifestyle change we thought we could do to lower our risk for diabetes. After the presentation, we were entered into a raffle. Barbara presented the winners with pedometers. I know I was inspired to try to exercise more. Thank you, Barbara.

April Program

This month we will be playing bingo! You may bring a guest to this meeting. **Ann Lanzo** has volunteered to call the numbers, and prizes will be given to the winners of each game. Feeling lucky? We hope you will join us for what promises to be a fun evening. You may bring a guest to this meeting.

We will be welcoming spring at our event on **Sunday, April 26th** from **3:00 to 5:00 p.m.** All FYC Auxiliary members are invited to attend. Invitations have also been sent to Auxiliary members of several other clubs in the area. Look for the invitation in this newsletter.

Auxiliary Trivia

When the FYC Auxiliary was founded in 1957, a scrapbook was started. I have enjoyed looking at the

photos and reading the newspaper articles and the old newsletters that are in the book.

If anyone has any photos, newsletters, or newspaper articles they would like to donate, I will put them in the scrapbook. I can also use help in identifying the people in the photographs that are in the scrapbook, as well as the loose photos that are tucked inside. I will bring them to a meeting so you can help with that.

The scrapbook is also in need of some repair to preserve it. I plan to make the repairs and then share the scrapbook with all the members.

Bunny Raffle

We collected quite a few stuffed bunnies, chicks and ducks to raffle off on **April 11th** at the **Children's Easter Party** at the Club. It is not too late to donate a stuffed animal for the event; just bring it down to the Club the day of the event. You may also give them to the bartenders who have agreed to collect them for us.

Tickets will be sold for a **Bunny Basket** that was created by our members.

Auxiliary Volunteers are needed for the Easter Party.

This is an important annual event for the Club and for the Auxiliary. I would like to see some **new helpers** at this event. You only need to donate an hour or so to set up that morning or to sell tickets for the raffle during the party. We need your help, so please **give me a call** to donate your time to help us make this another successful event.

I welcome your suggestions, comments or news.
See you at the meeting!

All mooring owners should be aware that Ryan is planning on beginning the insertion of moorings very shortly; he has already posted a sign-up sheet on the main board at the Club. You should make your mooring and gear ready and get your name on his list.

By the time you receive this periodical, we will have had our annual Block and Shelter Islands coffee an'. If you were unable to attend, you missed an informative and entertaining morning. We will of course keep you up-dated by using *The Foghorn* as to the details of each cruise, i. e.: **Block Island trip** departs around 0900 on **July 18th** this year; **Shelter Island trip** departs plus or minus 0900 on **August 15th**. We encourage all to join us, as each trip is truly a wonderful thing. If you do nothing else this year, all the energy you put into your boat makes these trips well worth the effort.

A thank you to **Carl Ardell** for all the work he has done again this year to prepare our metal skiffs...and to **Chris Ruskay** for the materials he has

donated for Carl's use on the skiffs.

A reminder to all mooring owners: if you have not received your mooring application from the Bridgeport Harbormaster, you must contact him to secure it.

Sailing Committee

I'd like to thank **Mike Andre** for running a wonderful program over the last two years. I am proud to be able give him a well deserved break. I look forward to taking over the tiller for our sailing program, and I can only hope to provide the same quality programs we have had in the past.

We have been having fun getting the **Ideal 18 program** going, and those skippers are having a blast being back in the water. **Terry Roach** is also once again doing a great job keeping the **FYC Dingy series** young. Our schedule is being tidied up and the **Wednesday Night Series** is starting **May 13th**. There are a couple of additions that I am really excited about this year. We are planning a 3 night Friday mini series with Pequot, Black Rock, and ourselves. We are also adding a Halloween with BRYC, to compliment the ever-popular Wild Turkey Regatta. Please keep an eye on the Website and sailing board for updates. Fair Winds to all.

FYC RAINGUTTER REGATTA

Saturday, April 18th, 2009

SAILING INSTRUCTIONS

- Rules:** The Raingutter Regatta is similar to the Pinewood Derby except that the models are miniature sail boats. Although the seas are only 10-foot lengths of raingutter filled with water, and the ships a mere 6 to 7 inches long, the race is a very exciting event. Each person builds his or her own boat, or purchases and modifies a ready-to-go kit. Each person also provides the wind for the sail with his/her own lung power (straws will be provided for each participant).
- Eligibility:** Open to ALL MEMBERS AND GUESTS – NO SAILING SKILLS NEEDED!!!!
Please come down and support FYC Sailing.
- Instructions:** Regatta boat kits are available on-line at www.raingutter-regatta.com, and has a pre-shaped balsa hull, metal keel and plastic sail. The hulls are sanded and shaped, and are colorfully painted. Hull and sail can then be decorated and personalized to your liking. The boats race in pairs on raingutter courses propelled by the participants blowing into the sails.

For those who choose to build their own entry, below are the simple specifications:

Hull: No longer than 7" or shorter than 6 1/2"

Mast: 6 1/2" from deck to top

Keel: Open, no restrictions

Rudder: Open, no restrictions

Sail: Open, no restrictions

- Classes:** 3 class: Classic Mono-hull (wood hull), Catamaran (wood hull), Open (all other materials)
Racing will take place in pairs. Round-robin, elimination style. Relay races with teams of 4 will be run following the individual classes, lifejackets are required!

- Courses & Racing Area:** Course will be a pair of 10-foot industrial PVC piping on mahogany bases. Racing will take place in the vicinity of the FYC main 'dance floor'.

- Awards:** Awards will be presented to 1st, 2nd, and 3rd Place finishers in each division immediately following the tournament.

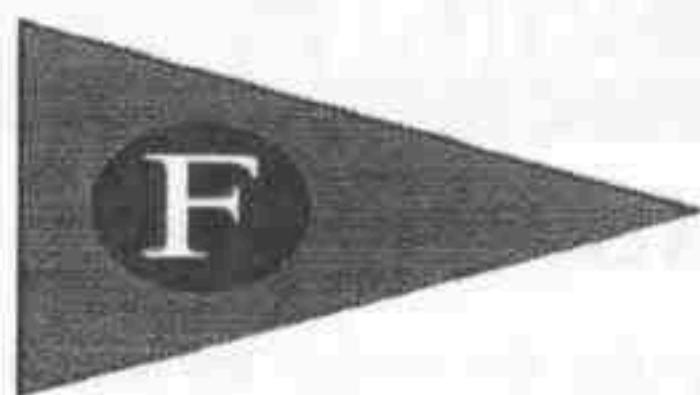

- Entries:** Just show up with your boat model entry (or borrow someone's) and sign up that night.
A 'boat-building party' will take place at 4pm on the day of the event.
