HO! HO! HO! --- MERRY CHRISTMAS and a HAPPY NEW YEAR!!! December brings the winter solstice, shortened days and long nights but also the brightness and cheer of the Holidays. The year 2009 is coming to end and once 2010 arrives we will be that much closer to opening day and another boating season. With that being said, I guess that means I'm an optimist.

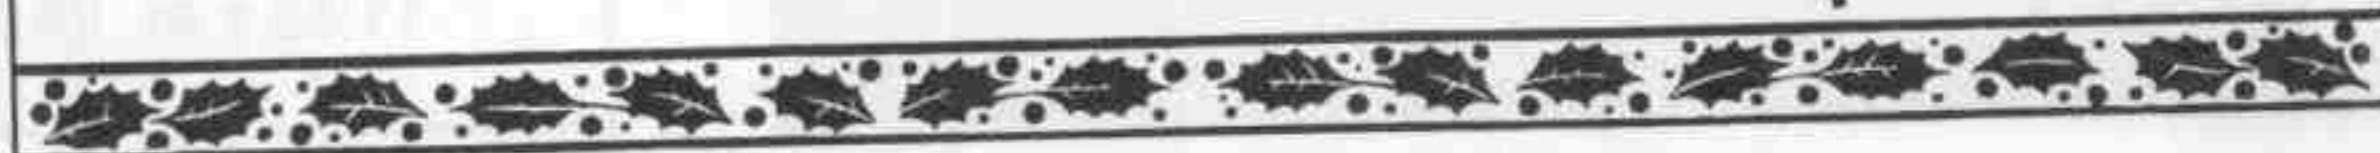

While the economy shows signs of improving slightly, some members are still in need of work. So in the spirit of the holiday, if any work needs to be done around your home, consider giving the work to a Fayerweather family member. If you do not know who might have the proficiency for your task, ask Dan our permittee or any one of our bartenders, they could give some direction in that regard.

I would like to thank Bob Kranyik, Tom Lee, John McArthur, and Bob Butler for their recommendation to rename the Fayerweather launch the "Earl M. DeWitt" in honor of Earl who was a dedicated and committed Fayerweather member. So much was done by Earl in a quiet and unassuming manner, whether taking digital photos, officiating on race committee or working on the computer upstairs in the office. Earl sought no recognition, he just loved the club. So be on the lookout, one day before our opening there will be a day just for the renaming and the launching of the "Earl M. DeWitt". Godspeed, Earl.

The only thing in the works at Fayerweather right now, is the conversion to Quickbooks. Gale Smith and John Koch are working diligently to get the conversion completed by the first of the year. Hopefully this will expedite our bookkeeping and member lists in an effort to bring FYC into the 21st Century.

I would like to take a moment to extend the happiest holiday greetings to the Officers, Board of Governors and all Members of Fayerweather Yacht Club. Hope that we can share a cup of grog on Wassail Night and usher in the holidays on Black Rock Harbor!

Ed Manes
Commodore

From the Vice Commodore

Well this will be my last article of the year. As far as what will happen from here, time will tell. I hope you found that I did try my very best at doing the job as your Vice Commodore. I really enjoyed it, but could not have done it without all of the help from so many co-officers and members. First, I would like to thank Commodore Ed Manes for his direction, his tact and most importantly keeping me focused and calm when times got a little bumpy. Secondly, thank you to all of the other officers and Board of Governors for their guidance and commitment. Some call the positions thankless, but I found the members to be very supportive and very thankful for all the work we did as a team. I would also like to thank the Bar Committee for their commitment and dedication on making my job easier. They come in at 7:30 a.m., on a Sunday, and count every bottle of beer, every bottle of liquor and every snack in the building for inventory. They are: Jim Bruno, Lou Fabion, George Nemeth, Frank Pierwola, and Fran Pierwola. Whoever the next Vice Commodore is, he or she will know immediately how valuable this committee is.

A few items of note: 1) Wassail Night will be on December 19th at 7:00 PM. For those who are new to FYC or have never attended, Wassail is a hot, spiced punch often associated with Christmas. Particularly popular in Germanic countries, the term itself is a contraction of the Middle English phrase "wæs hæil", meaning "be healthy". So come on down, bring an appetizer and raise a glass to your fellow members! 2) We have new sweatshirts and oxfords in the Ship's Store. The logo on the blue pieces really look great with the white outline. I will be putting them up on the website soon for all the out-of-towners to see.

Finally, I wish you and your family a happy & safe holiday season. It has been another great year at FYC. Again, I appreciate everyone's support and kind words over the past two years. There is no doubt, it helped me through my term as your Vice Commodore.

Cheers,

George E. O'Connell
Vice Commodore

From the Rear Commodore

November has been a fantastic Month here at FYC. We had a motorcycle rally on a Sunday afternoon that couldn't have been any better. Thanks again to my loving wife for buying all the food for the barbecue. I'm writing this article on the day of our annual Harvest Dance. Last night we had a great time wrapping and hanging veggies and fruit on the dance floor ceiling. We sold out to 180 harvesters who will be treated to the craziest time at FYC. Once again I would like to thank all the volunteers, too many to name, for all their help.

Towards the end of the month is our Children's Christmas Party on

December 20th at noon. Santa will be arriving via the Harbor Master boat with lights, sirens, and of course elves. Those who came last year remember our wonderful FYC elves. We had the biggest, oldest, and cutest elves anywhere. Santa wasn't too bad either! Please fill out the form and drop it off at the bar with \$10.00 per child. Make sure you include the name, age and gender of each child so we can purchase appropriate gifts. Also please try to sign up early so that we have enough time to purchase gifts. We are in need of a volunteer to be our Santa. If you are interested please give me a call. The night before the Children's party on Dec. 19th is Wassail Night. Come down and wrap some gifts and drink some punch.

Finally to end a great year we will once again be celebrating New Years Eve at FYC. The cost will be just \$20 per head which includes hors d'oeuvres and dancing to the music of the Al Ferrante Band. Al is recognized on one of John Mayers albums for teaching him everything he knows. Al has also toured for many years with the Edgar Winter Band. Last years party was a huge success and I'm sure this year will be even better. Tickets available at the bar.

Once again it has been my pleasure to serve as Rear Commodore. Working together again with our Commodore and Vice Commodore has made my job easier and much more pleasant. We work extremely well together as a team and I am very fortunate to have had their assistance in all of my endeavors. I thank Ed and George and all of our FYC members for allowing me to serve. I hope I will be seeing all of you at the club to wish you a very Merry Christmas and a Happy New Year!

Auxiliary News

November Meeting and Activities

A big thank you to our November meeting hostesses Carol Corbi and Eleanor Anderson who made the most delicious desserts. The table was decorated in a fall theme and the members enjoyed all the treats. The holiday Chinese Auction was a lot of fun. Thank you to all the members that donated the fun and festive items for the auction. We plan on making this an annual event.

Richard Parker won the Auxiliary basket at the Sinatra Night dinner dance in October. Thank you to Holly Bitman and Sue Swanson for selling the tickets. We will donate a portion of the proceeds from the ticket sales to the Club for the Children's Christmas party.

We would like to extend our deepest sympathy to the family of Susan Callahan. Although we know at such a time there is little we can say, we want to let you know that you are in our thoughts. Susan was an active member of the Auxiliary for many years. She also served as Past President and Board of Governors member. Her contributions to the Auxiliary and her friendship will be missed. In lieu of flowers, a donation was made by the Auxiliary in honor of Susan to the education fund for her granddaughter, Morgan Mentos.

Holiday Meeting and Dinner on December 9th for Auxiliary Members Only

If you have not made your reservations by the time you receive this newsletter, it may be too late. The FYC officers and crew will be cooking our meal for this evening and they have requested the **final** count by **December 1**. Remember, this dinner is by **prior reservation only**.

If you wish to participate in the **Holiday Gift Exchange**, bring your wrapped gift to the meeting. Remember, we have set a minimum of \$15.00 for the gift. Please do not put your name on a tag on the gift. This is a fun and exciting part of the evening so I hope you will all participate.

Nominations

If you are interested in running for Auxiliary office for the 2010-2011 club year, contact Rosemarie Quaranto at 259-0697. The slate will be posted in December, elections will be in January so call her immediately if you are interested.
