From the Helm

Irene is on her way up the coast and FYC is just beginning to prepare for her possible arrival. It is hard to believe it is hurricane season this early but it just goes to show you never know with Mother Nature. There is good news for our FYC members – this is the time for some of the best sailing and fishing in Long Island Sound. The winds pick up, and the blues and striped bass are well fed. So don't pack away those sails and rods just yet, get down to FYC and continue to press for a longer summer – and don't forget we have grills for those bass filets!

The Club is wrapping up it's capital improvements for the year 2011. For those of you who have been down know that the upper railing has not been finished. The contractor has put us off time and time again. He is now on communication silence and has put us in the position to ultimately makes us send a demand letter from our Club attorney. I tried not to go this route, but sometimes it is best to protect the Club's best interest. I have received another quote which was almost exactly on target with the winning bid. Once I get the green light, I hope to move forward with finishing the project. For me honestly, this has been one of the most exciting projects we have had this year and the biggest let down. All I want now is to get it finished and maybe get a month or two out of the new deck. Continue sending your ideas for the naming suggestions

Recently, with the huge success that Ben's events have been, many new members (and some not so new members) have asked about using the chit cards for these events. Some have even asked to use it for gas and the ship's store. The Club has historically only allowed these chits to be used for food and beverage only – it stated that right on the old chit tickets. The BOG and I have felt that the spirit of these chits were to have members get down and have lunch or dinner with their fellow members or bring a friend and introduce them to our Club. In keeping with that spirit, the BOG have clarified the House Rules to state just that. PC Selski has just finished up the membership directory, bylaws, and house rules. In there you will see the new clearly stated house rule and ones previously stated in last month's article. The new directory will be available for sale as a hard copy at the Club very soon. We will also have an electronic copy to send for free and a copy on our website under the 'Members Page' section. Username and password can be sent via email too.

One last thing. Lori and I recently were crunched for time on our way to work. We called our order into Lasses (203-332-4422) about ten minutes out. When we arrived there were two chicken Caesar salads waiting for us in the window. I dropped the money down and we both made it to work on time. Call Lasses for take out or just call ahead if you are pinched for time and want to eat in. It really made our day.

Sláinte,

George E. O'Connell

From the Vice Commodore

August had been a great month at FYC up until we felt the forces of Irene. We have been very fortunate compared to our sister club, BRYC, where much more substantial damage had occurred. Once again I am proud of our members and their resiliency. Volunteer members of our club were there starting Sunday and continuing throughout the following days. I would like to thank all who helped, too many to mention. A very special thanks to Jerry Hogarth, our Chairman of the House Committee, for spearheading the clean up efforts. I would also like to mention my son, AJ, for helping move the beer and wine with a team of volunteers, clean the beer cooler, and especially for keeping our bar open 'till dusk on Sunday. It was really awesome to see our members move the dock house and ice cooler back to their original locations while other members performed various clean up on the rest of our premises. As I write this article, my family in Easton still do not have power or internet at my home. I am pleased at how quickly the repairs are going at FYC. The bar has only been closed for a short time and the repairs should all be completed soon. I hope everyone will enjoy the rest of the summer. There are still many sailing and fishing events this fall. Come on down to the Best Club on the Planet. Hope to see you soon!

Jim Sorensen

Fleet Captain's Corner

Block Island trip a success with all the regulars in attendance. Next year we leave on July 14, 2012 and tide becomes favorable at 0830. So be it.

Shelter Island trip also went well and I want to give special 'well dones' to Rich and Carrie Parker as well as Sue and Bill Maloney for going as neophytes. Not an easy thing, to do this trip for the first time...I can just imagine the dire thoughts that Columbus must have had when first he sailed to come here. It is people like these two couples that keep our cruising going in our Club.

I had a thought and would like to present it at this time...FAYER-WEATHER CRUISING CLUB... composed of all the folks who now join us in our endeavors and all the ones yet to come with us. No dues and no obligations are entailed...we would meet perhaps two or three times a year at the Club and go over new ideas and thoughts for the coming seasons. What think you?

A reminder...these storms that are approaching as the hurricane season arrives, require that we take special precautions with our mooring tackle...no harm in putting another set of double bridles on at this point...tie sails down with extra lines, especially around roller-furling systems. Power boats require the same due diligence, even though they may be in the marina. I can do another set of bridles for you if need be. Preparation is the key.

From the Rear Commodore

Thank you to all the members who have come out and supported the recent FYC events at our club, as your participation is truly appreciated. I'm also very grateful to the volunteers who have helped me put these events together. Here are some great upcoming events at our club:

Saturday September 17 – Clam Bake: Our annual clam bake is just a few weeks away. Always one of the greatest events at FYC, so mark your calendar and make sure to bring the whole family down for a great time. Tickets will be available at the bar next week. Members are encouraged to bring guest, just remember to sign the guest book at the bar for all visitors.

Saturday September 24 – FYC Poker Tournament (3:30pm registration; 4pm start – SHARP): Back by popular demand, we have another Texas Hold'em poker tournament at FYC. Single buy-in format and tickets for this event must be purchased in advance at the bar for \$20 per person. Dinner will be served to all participants and prizes awarded to top finishers. Members are encouraged to bring guest, just remember to sign the guest book at the bar for all visitors.

Saturday October 8 – Oktoberfest: Put on your lederhos'n, dust off your haferl shoes, and come down to FYC for Oktoberfest. Much more than just a beer party, this event will offer a family friendly food menu, great music and a costume contest for the best dressed individual and couple. Even if you don't have a miesbacher hat, I hope you will come down and enjoy a great event at FYC. Tickets will soon be available at the bar. Members are encouraged to bring guest, just remember to sign the guest book at the bar for all visitors.

Saturday October 15 – Frank Sinatra Night: Always a great night at FYC and one of the events that traditionally sells out, make sure to mark your calendars for this fun night of great music and wonderful food. Tickets will soon be available at the bar. Non-members who purchase a ticket and are signed-in are absolutely welcomed.

Saturday October 29 – Halloween Party: A few days before you take the kids out to trick-or-treat, come by FYC and party with some grown-up ghost and goblins. Music, costume contest, along with great food and drinks – sounds like a good night to me. Tickets will soon be available at the bar. Members are encouraged to bring guest, just remember to sign the guest book at the bar for all visitors.

Please contact me if you are interested in volunteering for any of the upcoming events, as I can always use some help. Also, visit our website or Facebook page to view pictures from past events and to find additional information about future events at FYC. Finally, stop me at the bar, send me an email or leave me a note regarding any suggested events you would like to see happen at FYC.
