From the Helm

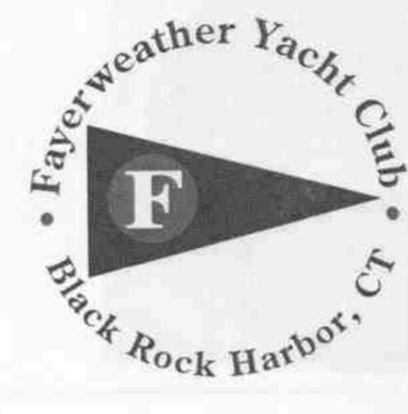

Summertime, and the living is easy. . . Although we did start summer with some heat from the State of Connecticut. A visit from the DEEP threatened to shut our gas pumps for noncompliance. Thankfully our staff and Dock Master had provided the paperwork so we received a slap on the wrist for unclear paperwork. Which reminds me to thank everyone for remaining vigilant about signing guests in; (award for Best Penmanship to come).

A special thanks to the BOG and bridge for all their involvement in activities behind the scenes. The club looks great; new walkway, shower and plantings, to name a few, all accomplished through many hours of dedication. It is a pleasure to see things running smoothly -- thanks again!

Now let's talk trash! I mean recycling. You will notice a recycling dumpster (state regulated) with its recycle logo. Look for (wait for it. .) cans marked recycled for glass, plastic, and newspaper, which can all be put together. A hint, the plastic bag will be clear, for assurance of "quality trash". Be green and help us be clean. This is a new program for us, but we want to avoid fines for noncompliance.

I have requested a special meeting Tuesday, July 9 for membership approval of a new heating system and nine new candidates for membership. Also needed are members input on bylaw changes for discussion at our September meeting. It's also not too early to start thinking about what position you might like as we look toward January elections. A new nominating committee will be formed in September. "Ask not what FYC can do for you. . ."

See you at the Club! Rich Parker

From the Vice Commodore

The summer weather has finally arrived and none too soon after a pretty dismal, rainy spring. There's no better a spot to view Black Rock Harbor and passing sailboats, fishing boats, the occasional tug and barge than from our own Fayerweather Yacht Club deck. Enjoying that passing maritime parade is made even more enjoyable with cool drinks from the Club Bar and great food from LuLu's Pad and Friday Night Raw Bar.

Unfortunately FYC's popularity presents two serious issues that must be addressed immediately and on-going...Guests and non-members not signing the Guest book as required by State Liquor Authority. This is particularly troublesome on Friday nights and our Club could face serious repercussions for non-compliance.

Guests must be in the company of a member and must sign the Guest Book. A guest may not access the Club unless with a member. Bar staff have been instructed to ask people if they are members and if their guests have signed the Guest Book. It can be a bit awkward so please make everybody's life easier and sign them in right away. Non-members arriving without a member will be asked to leave.

To remind everybody...All members and guests are expected to clean their tables of bottles and glasses when leaving. The Club does not have busboys to clean up after us. On Friday nights, this has been particularly neglected and the Deck and the Penfield Room really look shabby as a result so please help out.

Lastly, we will be reviewing the Haberdashery and ordering new merchandise. If there is something that you think we should be stocking, please let us know. Additionally the plan is to have two Haberdashery Sales promotions each month for July and August with most of our merchandise displayed. Great for gifts, Back-To-College, etc. If anybody would like to help out for an hour or two, it would be much appreciated.

Denis O'Malley

From the Rear Commodore

Summer is here !!!!! Boating, Sun, Fun and Fun and Fun. I hope everyone is enjoying themselves.

The Texas Holdem Tournament was held last month on June 15th. Not a huge crowd, but a good one. Good cards and a great dinner! Congratulations go to: Wanda 1st, John 2nd (AGAIN) and Frank, 3rd. I'll see if I can "slip" this in again in the fall.

This Month, speaking of sun and fun: Caribbean Party visits FYC on July 27th at 3:00 P.M. Jamaican Jerk Sauce on chicken and ribs (I'll make most of the sauce "American" style, but I'll keep some of the original recipe for you adventurous ones.), "peas" and rice, salad, sides, burgers and dogs. Music provided by "Caribbean Vibes Steel Drum Band". Only \$20.00 for a great afternoon (see flyer in the newsletter). Just for fun, pick up an "Island Survey" at the bar and get it back to the club before the party (not the day of). We'll announce the results at the party.

August will bring the Hawaiian Luau and Pig Roast. I'm working out the prices and details for the food, hula girls, fire dancers and DJ. This should be a big one folks, so don't miss it. As soon as I have it all figured out I'll let you know the details.

Just a heads-up, the FYC Clambake is scheduled for Sept 21st. I know, it's a long way off, but keep the date open.

The pre-cruise meeting for the Newport-Block Island Cruise is Wednesday June 26...at the Club at 1900...I am aware that the date may have already gotten past you...but in the event that you receive the Foghorn via email, we press on.

This Cruise will be somewhat of a turn-around in that every so often, it is a good thing to change direction. Thus we plan to do Newport and THEN Block Island. Many folks have expressed the thought that we should include Newport as part of this major undertaking.

The pre-cruise meeting for the Shelter Island Cruise will be Wednesday, August 7, at 1900...at the Club and as customary, we will go over all details pertinent to the trip... The Cruise itself will depart Saturday morning on August 17,2013...time of leaving is optional to all but we recognize that the earlier we leave, the better chance we have of securing a good mooring at North Cove...and the current will be most favorable the earlier we go. This latter point is most critical.

The Middleground Race which was favorably attended in past years, will be held sometime in late August...we have had very few responses to our request for supporters of this venture...we may have more positive feedback by next month...how can you lose? This is a race in which there are no rules and no cost to enter...in the event you fall into a 'no-wind' hole, you may start your engine and catch up to the others. Win Win Win all the way.

The 26th Swim Across the Sound

Fayerweather Yacht Club has been the preeminent club/marina in support of the SWIM, both through the Park City Regatta and the largest number of volunteer boat captains on Marathon Day. Fayerweather has provided 10 to 15 volunteer boat captains over the past few years

The SWIM will take place on August 3, 2013. The 15.5 mile event is expected to be the largest ever. And we have a goal of exceeding the 2010 record of 15 Fayerweather volunteer boat captains.

Boats are needed to escort swimmers (solo swimmers, 2-person relays and larger relay teams) as guide boats, to both protect and direct the day-long swim and as miscellaneous boats for medical, publicity and other activities. Powerboats and sailboats alike will work for all purposes. Furthermore, enjoy a reception and free slip at Danfords Marina in Port Jefferson the night before the swim (August 2nd), plus the day-ending Banquet and Award Ceremony at the finish at Captain's Cove Seaport.

To enroll as a captain, log on to the St. Vincent's web site at http://give.stvincents.org/swimboatcaptain/. Any questions, contact Mike Herrington at 203-255-0815 or Jim Hanrahan at 203-912-2434. We look forward to sustaining the FYC leadership in this terrific event. So, register now and join in on the truly rewarding and fun event!
