From the Helm

After a brief hiccup with the kitchen, FYC's summer of 2015 is once again up and running 100%. With that said, the boating season is in full swing! Please mind the rules of the dock for weekend docking, there are many members that stop to pick up guests, get gas, or to pick up lunch to go. There is no long term docking on the weekend, so once again please be courteous of others during the peak boating season.

Myself, the Board, and Officer's are diligently working to complete on-going projects. I am currently seeking bids for replacing the trim boards on the kitchen side and the front of the Clubhouse. Another project we will soon begin to collect bids on is the paving of the upper lot. Each Board member is assigned a task, duty, or committee to chair. Everyone is doing a great job so stay tuned for updates.

A few members have inquired about purchasing a brick for the front walk way. we will begin to look into this. I've asked P.C. Bill Selski to investigate this since he had originally spear headed this project. It may require a minimum order to proceed. We will keep you informed as we get more information.

I will speak briefly of the kitchen and were we stand. First I would like the membership to know that the Officer's and the B.O.G. had nothing to do with the abrupt closing of the kitchen. No one saw this coming we received absolutely no notice. Apparently Lulu felt she needed to move on. With that said, Vice Commodore Bob Schley has secured B.R.Y.A.C. Restaurant & Raw Bar to serve lunch and dinners through the season. Bob and his committee will continue to investigate other options and concessionaire's and will make a decision sometime in September. Continue to follow Bob's newsletters and e-mail blasts for further updates. Thank you for being patient during this interruption of our lunch services.

Enjoy your summer and I look forward to seeing you at the club,
Jim

From the Vice Commodore

Hi there,

Well, June has been a challenging month. As everyone knows, Lulu's Pad is no longer at FYC. She decided to leave at the end of her contract without any warning. I want to let you all know this was totally her decision; no members of the BOG or any of the Flag Officers were responsible for her leaving. Moving on, we now have The Black Rock Yacht and Athletic Club (B.R.Y.A.C.) providing lunches and dinners. The schedule has not changed; Tuesday through Sunday lunches (plus Sunday Brunch!), Wednesday Night limited menu, Thursday Night Dinners, Friday Night limited menu and the Raw Bar. Check out the website for menus.

I haven't had a chance to set this up yet, but, soon look for some acoustic entertainment on the deck on Saturday nights. Still looking for acts at this time. Got some suggestions, I'm looking for more (email me if you know anyone). Will keep you posted.

Reminders folks; smoking is not permitted in the Club at any time or outside on the decks from 10am. to 10pm. This policy will be strictly enforced. A 'smoking area' has been established on the outside corner of the Penfield Room. As always, please be courteous to your fellow members/guests. It is Connecticut State Law that members sign in their guests. I have sent out emails in the past on 'how to' and remind members to COMPLETELY and LEGIBLY sign their guests in. No "dittos" and no "scribbles". I am sure you don't want me chasing you down to sign in (truthfully, I don't want to, either). And lastly, again, Please, PLEASE bring your drink glasses and empty bottles back to the bar when you are done. It is the members' responsibility to 'clean up' after themselves.

Feel free to contact me for ideas, suggestions, or to just say 'hi'. Email address listed below. That's enough for now.

See you at the club,

Bob Schley

The Bishop Cup

The most trying test of your skills as a sailor was developed over one hundred years ago. Because it's so old, you might think it's outdated and easy to beat. Why don't you consider stepping up to a challenge. Maybe you'd be the one to have the best skills, and beat that old time test - and then again, you might get a spanking!!!

The Bishop Cup Predicted Log Race will be held August 15th. I hope you're ready. Let's bring the cup back to Fayerweather - with your name on it!!!
