FROM THE VICE COMMODORE

I am pleased to announce that just one week after Chef Kevin served his last dinner at the Club we have contracted with a new food service provider at Fayerweather Yacht Club. The Taste Garden Café and Catering located in the Trumbull Corporate Park is owned and operated by the husband and wife team of Chef Genaro and Nereyda Gonzalez, and will begin full-time at the Club by offering brunch on Sunday, August 8th (prior commitments prevent them from starting sooner).

Theirs is truly a family business, with each of their four children devoting their time and talents to it as they grew up, learning the business first as dishwashers and eventually advancing to line cooks. Focusing on "family and food" they offer a broad array of home-cooked lunches, brunches and dinners using local farm ingredients and home-made sauces to the FYC Family. Our club's full-time kitchen hours will resume the week of August 8th. In addition, "Taco Tuesdays" are set to return to the Club on August 10th, and additional ones will be scheduled based on member interest.

While many restaurants and caterers continue to struggle to remain open due to staffing issues, we were impressed with Chef Genaro and his family's strong desire to expand their operation and confidence that they can enhance our members' experience at the Club by offering quality cuisine at reasonable prices. My thanks to the Kitchen Committee for their assistance in evaluating each of the food service providers who expressed an interest, and to those members who suggested a provider for us to consider.

As Club food provider they will also cater FYC events as well as be your "caterer of choice" for members who are interested in holding a private event at the Club. I look forward to working with them and encourage members to dine with us once again starting this month.

Many thanks to members Martha Rose Dixon, Jerry Hogarth and the Fishing Committee for stepping up and providing several meals last month for Club members and guests. A wonderful and much appreciated gesture!

REMINDER

Since we have a few members who don't clean up after themselves, here's my monthly reminder to **please remove all trash from your tables, return glassware and empty bottles to the bar and dishes, utensils, and trays to the bussing table in the front of the Penfield Room, and close the table umbrella.**

SHIP STORE

We have received a new shipment of regular display Club burgees in the Ship's Store, as well as a resupply of men's zippered long sleeve pullovers. Any member of the dock or bar staff will be glad to assist you.

FROM THE REAR COMMODORE

I look forward to seeing you at the club and our upcoming events.

AUXILIARY CORNER

The Auxiliary hosted a Happy Hour in July for Auxiliary members. We enjoyed meeting

new friends and seeing old ones, while enjoying some light appetizers and celebrating the end of Covid with a Goodbye Quarantini! We may have more in the future, so watch for e-mails or signs.

Our next membership meeting is September 8 at 7:00pm. A reminder, if you change your phone number, e-mail or home address, please be sure to let us know. We want to make sure we can reach you.

Enjoy the rest of the summer!

Auxiliary President

FISHING COMMITTEE

This is Captain speaking and what a summer it has been so far. The Fishing Committee has continued to be busy with our pop-up events.

We had a couple great raw bar and BBQ nights and closed out July with a very cool movie night that featured JAWS. We even had a Landshark and a Giraffe make an appearance at the party!

As I am writing this we are preparing for another Thursday night dinner lead by Jerry and The Captain. We are planning to serve smoked pulled pork and homemade sides. We are self-funded committee and are all member volunteers, we have a great time doing these events and we hope you all

enjoy them as much as we do. The Fishing Committee and our full supporting crew I cannot thank you all enough for everything we do.

Our schedule will remain pretty dynamic and pop-up oriented so keep an eye on club emails and other correspondence for info on new events.

One event that will be scheduled is Hunky Turkey Night, Saturday, October 2.

FISHING SEASON

The FYC Fishing Contest has been open to enter as of 4/1/2021 and any member can enter at any time all season. It is \$25 to enter to post your catch on "the board". **Sign-up is available at the bar and remember you need to sign up 24 hours before you can enter a fish.** Related to this contest there is a rules changed posted at the club and now printed here as follows:

FROM THE MEMBERSHIP COMMITTEE

I am pleased to announce that we have voted in 87 new members so far this year. I want to thank our members for sponsoring their friends and family. We are closing in on filling the members but I still need your help.

I would like to say a special thanks to our top recruiters:

Nick Mirabile (6), Tim Casey (5), and Sean Martin (4).

Thank you!

SWIM ACROSS THE SOUND

“We were there!”

Debbie and I once again volunteered our boat, Journey, as an escort boat for the SWIM. We have done this for several years since 2011. One year we were a perimeter boat to keep the escort boats on course. Subsequent years we have had 5-person and 2-person relay teams on board. Of those years we had two second place finishes. The swimmers were great and the course had to be spot on so that the distance of the swim is not elongated. This year was our first time with a solo swimmer. Andy Rieger from Houston, Texas, and his coach Kurt Matheson from Princeton, New Jersey were our participants. They are both West Point graduates who were on the Army swim team together

It was a calm day for the SWIM. Very little breeze out of the SSW. Somewhat overcast and no seas to speak of. The swimmers left the beach outside Port Jefferson breakwater at 8:33 A.M. The trip over was very slow but I was able to stay in gear most of the way, the swimmer was that fast. The day progressed with nutrient bottle and energy packet thrown on a rope tether every 30 minutes so Andy could keep up his strength.

We reached the mid-course buoy at 11:35 A.M. with the high tide at 11:47 A.M. The swimmer, Nikko Price, on escort boat #4 was now side by side with Andy. We still had the second half to go. The tide shift now pushed the swimmer east, whereby we had to hug the west side of the course. My site was set for buoy R2A at the mouth of Black Rock Harbor.

Boat #4 and I (boat #5) reached R2A at the same time. I was west and he was east. My course was now to buoy R4, have the swimmer round the buoy in the channel and head for the finish line east of buoy R6. The swimmer on boat #4 was heading east of the channel at buoy R4. Boat #4 got his

attention and directed him to the channel side of buoy R4. We were now ahead!

Andy gave it a final push to the finish line at 2:26 P.M., arriving 5 hours and 56 minutes after leaving the beach at Port Jefferson. That would be 1 minute 10 seconds ahead of the second-place swimmer. New finish line, new course record for the Swim Across the Sound.

Congratulations to all the swimmers and boat captains.

Fun fact: Andy’s average speed was 2.25 mph or 1.97 knots.

Fleet Captain
