FROM THE COMMODORE

Hello Again,

November – Holidays right around the corner! I truly hope that all of you are safe and healthy as we approach the holidays.

PROJECT UPDATE:

The awning off of the locker room is finally moving forward. I have received three bids for the work after altering the requirements. I will present them to the membership after the BOG has gone over them.

Kim Pugh has resigned from the Rear Commodore position for personal and work reasons. **Martha Dixon has stepped forward and will handle the celebrations for the rest of the year. Thank You Martha!**

Another change – Jerry Hogarth is now the House chairman for the rest of 2021.

Finally, keep all dogs on a leash while on Club property. Please note that NO dogs are allowed in the buildings unless they are a service dog. (Definition below). **Keep a watchful eye on your children and bring all your plates and silverware back to the kitchen and all your drink glasses back to the bar.**

DEFINITION OF A SERVICE ANIMAL

Q1. What is a service animal?

A. Under the ADA, a service animal is defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person’s disability.

That’s enough for now.

FROM THE VICE COMMODORE

Members often ask why we don't offer dinner on Saturday, and the response is usually that the Penfield Room is not available either because of a Club event or a member has reserved the room for their own event. Also, our kitchen provider may not be available due to their own catering scheduling. **Based on continued member interest, we are offering a Saturday dinner this month on November 6th, from 5:00pm-9:00pm.** I encourage you to attend, and if there is strong enough interest, we'll be pleased to offer an occasional Saturday dinner on an ongoing basis in the future.

Turkey Dinner	November 18	OPEN
Lunch Grill Service	November 19	OPEN
Evening Grill Service	November 19	CLOSED
Thanksgiving	November 25	CLOSED

The Club is closed on Thanksgiving, so we will include a turkey dinner among the dining options for Thursday, November 18. Also, please note that there will be no evening grill service on Friday, November 19, due to the Harvest Dance preparation event in the Penfield Room. The grill will be open for lunch only that day.

TACO TUESDAY

Monthly Taco Tuesday has quickly become a member favorite over the past two months, and the last one of the year will be held on November 30th. **The kitchen will be closed for the holidays from December 21 – January 3, 2022.**

REMINDER

As a reminder, the Penfield Room is closed Thursdays from 4:00-5:00pm to allow the kitchen staff to prepare for dinner. All menu item are prepared to order, please allow 20-30 minutes for your entrée during peak dining times.

All credit cards used to purchase for food at the Club, will read as "The Taste Garden Café" on your statements, since that is the Gonzalez family's primary business.

DRINK TOKENS

December 30 is the last day to use 2021 drink tokens at the bar.

SHIP STORE

In addition to the popular navy windbreakers (available in men's and ladies' sizes), we are featuring FYC knit caps and travel mugs this month. We also have a small supply of black pullover sweatshirts available for purchase.

FROM THE REAR COMMODORE

Hello Everyone,

I'm happy to be back in the Rear Commodore position at the Club. This is my third time in this position.

Jumping right in. As you are probably aware, **the Harvest Dance is a GO! Tickets are selling quickly.** This year will be scaled down slightly. We have many new members at the Club so I'll give a brief description of the Dance.

It's an old Hungarian tradition. Since our Club was founded by many Hungarian men, it started many years ago. Fruits and Vegetables are hung from the ceiling. We dance and "steal" by pulling them down. However, there are secret police, that try to catch you in the act. When caught, you get thrown in the Jail, yes a real jail in the corner of the hall. Friends then have to pay to get you out of the jail.

Everyone brings their own snacks. Its a lot of fun and you keep your harvested vegetables to serve at your table for Thanksgiving. **All of the bail money goes to the Children's Christmas party.** It's always a sellout. Setup is November 19 around 5:00pm, any help is welcome and its a great way to meet other members.

I look forward to planning events going forward. We are working on some Pop-up events. More information will be sent to the members via email. I have a mailbox, just give any notes to the bartender. I welcome any input.

Let's Have some FUN already!

Martha Dixon
Rear Commodore

Children's Christmas Party

AUXILIARY CORNER

At our October meeting, we discussed several topics and voted on the dues increase.

FALL FUNDRAISER

We decided to do a fall fundraiser. We will be collecting monetary donations for a Food Drive to benefit the Black Rock Food pantry. A jar will be stationed at the bar for the donations. Signage will be put up. This will run through November. We discussed other fundraisers to benefit the community and will consider them in 2022.

CHRISTMAS PARTY

We are going to have a Christmas party, however, it may not be our traditional dinner of steak/lobster, due to the high prices of lobster. We will be working to finalize the details by the November meeting. At that time you will be able to purchase the tickets. This event is open to Auxiliary members only. It will be held on Wednesday, December 8 at 6:00pm, in place of our regular meeting.

We are still looking to fill the open nominating position, and have an open Board of Governor position. Please consider volunteering for these positions.

DUE INCREASE

We voted on a dues increase, which passed. The Auxiliary has not raised dues in over 10 years, and we feel the club has a lot to offer. This past year we contributed 50% to the carpet purchase and are extremely delighted with the choice. It is definitely a tremendous improvement! We look forward to providing other great improvements.

Invoices will be sent in December. Dues are due by January 31st. Dues received after March 1 are late and subject to a \$15 penalty. The dues for 2022 will be:

\$40 for returning members on time payment (by March 1).

\$55 for new members, or late paying (after March 1) recurring members.

If your e-mail or street address have changed, please be sure to contact Diane Billings (FYCAUX FINSEC@FYCCT.ORG)

In case you missed this, some people have mentioned to me that they have not been receiving the e-mails for the Foghorn. You need to go into the FYC member's website. To the left is a box that says Quick Links. Select Update Profile. Go to the Contact Info tab. Scroll down to Email Addresses and add your e-mail address. Make sure it is checked. You should start receiving the emails. If you don't, let me know.

If your spouse is deceased and there is no member website, send me your e-mail, phone, street address and I'll forward on the information.

MEETING

Our next meeting will be November 10 at 7:00pm. Meetings are held the 2nd Wednesday of the month. The December 8th meeting will be the Christmas dinner.

Thank you to Karen for providing our table decorations for the October meeting. They were a real treat! Literally!

Thanks to Trish for hostessing our November meeting.

Debbi Rosati
Auxiliary President

FROM THE SAILING COMMITTEE

LEARN TO SAIL

The Learn to Sail had a great start in 2021. There were 15 FYC and Auxiliary members that signed up for the course this summer. There was a 4-hour classroom instruction using US Sailing 101 Keel Boat instruction book. Over the past 4 months we have been taking out the participants for 4-hour on the water training. We have closed the program for the year and will continue the on the water training in the spring.

Next Spring 2022, we will sponsor another class for anyone who would like to be certified to use the club J22 sailboat or just sharpen your sailing skills.

2022 SCHEDULE

FYC has a very active Sailing program. All members and non-members are welcome to join all FYC sponsored regattas. Our Wednesday Night series has grown to 25 boats, but we are always looking to have more boats on the line. If you are a beginner or an advanced sailor or have a friend who is not a club member but would like to do some "Beer Can" racing, FYC Wednesday Night series is a lot of fun. The series usually starts in May and ends in September. There are two classes of boats Spinnaker and Non-Spinnaker. Please look for emails and flyers early next year to register your boat.

CREW & BOAT OWNER SIGN-UP SHEET

There is now a Crew Register sign up sheet. The web page is for Crew or Boat owners looking to sail. On FYCCT.ORG – Sailing – Crew Register there are two tabs. "Sailors looking for Boats" & "Boats looking for Sailors".

If you are interested in Crewing or need crew go to the new web page and register. If you want to gain some experience and have a great time out on the water with members, this is the best way to meet new people, learn a skill and enjoy sailing. There are three levels on the sign-up sheet. Beginner, Intermediate and Experienced. Beginners are always welcome.

LADIES SAILING

FYC will be hosting a Ladies Sailing night over the summer of 2022. We are looking for FYC boat owners to sponsor their boats to take the lovely ladies of FYC/Auxiliary out for a night of sailing. There is a lighthearted race, all amateurs, to get the sailing mood going. The Ladies nights are a "no pressure" casual sail.

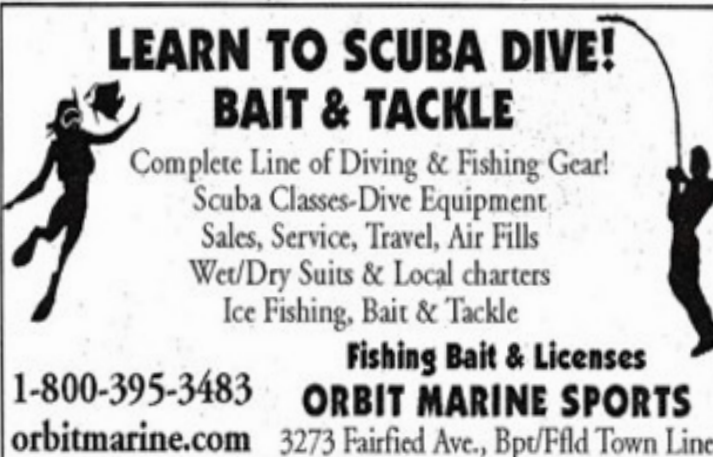

Look for a sign-up email as either a participant or boat owner in the new year. Ladies sailing nights will be Fridays in June and July.

Any questions or comments on the sailing program please feel free to reach out to Mike Mears Sailing@FYCCT.org.
