FROM THE COMMODORE

Hi,

June already? This year is flying by!

We had our first Club party on May 29th, Opening Day. While Mother Nature did not cooperate, the ceremony and party went very well. Lake Avenue Project provided the music, and the Fishing committee stepped up and provided delicious food. Many, many thanks to all the volunteers who helped set up and clean up. Thanks to the auxiliary for their part of the ceremony and the raffle.

I'll let the Rear Commodore fill you in on the next events planned.

Things are going very well at the club. The bulkhead "bumper" is around 98% complete. Thanks to all involved: Mark, Mike, Jim, Jim, Jim, Jose, Dave, Tyler, Ed and Stephen to name a few.

I am gathering information on replacing the overhang attached to the locker house, and will pass it along when completed. Fixing the front window will be scheduled soon. The new carpet will be installed in the first weeks of this month. Delays in shipping due to COVID caused long wait times, but it will happen.

Now that COVID restrictions have been lifted, I am really looking forward to the rest of this year which I think will be a smashing success! I still caution everyone to be careful though. The Commodore's Dinner Dance will be held in September this year. Weather permitting, I would love to have it outdoors thus enabling more of the membership to attend. As we get closer, I'll provide more details.

That's enough for now,

Bob Schley

PHOTOS FROM OPENING DAY!

FROM THE VICE COMMODORE

What a terrific sight to see everyone's smiling faces back at the Club! To those of you who may have been hesitant to return until now, welcome back. We've missed you.

Beginning in June we will revert back to offering a more informal grill menu instead of a plated dinner on Fridays, and will continue this through August.

DINING

All current lunch, brunch and dinner menus can be found on the Galley Page of the FYC website, which also includes the link to place a takeout order. We have an expanded selection of wines for purchase by the glass or bottle for your enjoyment – see our current wine list in this issue.

For a dining experience that is truly unique, ask about An EP Experience's "Seasonal Tasting Menu" – a five course tasting menu especially curated for you by Chef Kevin that features all local ingredients and is artfully plated. Reservations need to be made a week in advance, and can be made by emailing anepexperience@gmail.com.

By the way, An EP Experience purchases most of its meats from Custom Meats, 1903 Post Road in Fairfield. They are dedicated to working with small, local family farms who share their ideals for quality and taste of food as well as their values for animal and environmental welfare. Custom Meats sources only from farms where Angus cows and Dorset lambs are raised on grassy pastures. Visit them at custommeatsct.com. menu.

REMINDER

Just a reminder that **all guests must be signed in at the bar by a member, and that all guest entries must be completed in full and legibly**. Also, double check that you have removed all trash from your tables, **returned glassware and empty bottles**

to the bar and dishes, utensils, and trays to the bussing table in the front of the Penfield Room. Thank you for doing your part to make our Club appealing and welcoming to all members and guests

UPDATE!

In accordance with the recent CDC announcement regarding face coverings, **fully vaccinated individuals can resume activities without wearing a mask.**

Fayerweather Yacht Club is excited to announce that, based on this guidance, **face coverings are OPTIONAL for fully vaccinated members and guests when indoors.**

We remind you that **FYC members and guests are on the "honor system" as to being fully vaccinated and that those whose aren't fully vaccinated and do not wear masks indoors puts others at risk.**

See your smiling faces at the club!
